145. Crash Description/Narrative

Vehicle #1 was initially stopped at the hospital exit in traffic. Vehicle #2 was traveling West on Route 88.

Driver #1 attempted to make an illegal left turn, and in doing so collided with the passenger side of Vehicle #2.

Driver #1 advised that he just left the hospital, and was rushing to get to his doctor to pick up a prescription for his medication before they closed. Driver #1 further stated he did not feel well and was tired, but knew he was not allowed to make a left turn and did so anyway.

Driver #2 advised that he was traveling West on Route 88 when Vehicle #1 suddenly pulled out in front of him. Driver #2 further advised that he applied his brakes and swerved into the oncoming lane in attempt to avoid the collision but it was too late.

Based upon my observations, and statements made by both drivers, I find Driver #1 at fault for improper turning and careless driving.
