145. Crash Description/Narrative

Crash occurred on RT 88 west, approximately 150 feet east of Fort St.

Driver #2 stated she was traveling east on RT 88 when vehicle #1 attempted to make a left turn, in front of her, without his blinker on. She advised she attempted to swerve right to avoid a collision; however she couldn't and struck vehicle #1. After the collision, vehicle #2 veered off the road to the right, struck a curb and came to rest on the grass.

Driver #1 advised he was traveling west on RT 88. He stated he thought he had enough time to make a left turn into the parking lot. He advised he started the turn, but could not make it in time and both vehicles collided.

Driver #2 had complaint of neck and chest pain. She was checked out by First Aid on scene but refused further medical attention.

Driver #1 had complaint of head pain/dizzy feeling. He too was checked out by First Aid on scene but refused further medical attention.
