145. Crash Description/Narrative

Driver of V1 stated that as he was backing out of his parking spot he did not observe V2 which had already backed out of a parking spot on the opposite side of the aisle. V1 then crashed into V2.

Driver of V2 stated that once they had already backed out of their parking spot V1 then started to back out.

Driver of V2 stated she activated her horn in an attempt to alert V1 but was unsuccessful. V1 then crashed into V2.

Based on my investigation and observations on scene I determined V1 to be at fault for the motor vehicle crash.

V2 sustained damage to the left middle of the vehicle and had pre-existing damage to the upper rear left quarter panel of the vehicle as per the driver of V2.
