145. Crash Description/Narrative

Driver of V2 stated that she was stopped in traffic on Route 70 eastbound just prior to the intersection with Van Zile Road at a red light. Driver of V2 advised that as the light for Route 70 turned green she was still stationary when Vehicle 1 crashed into her from behind.

Driver of V1 stated that she was stopped directly behind V2 on Route 70. When the light turned green for Route 70 she began to move forward and didn't realize that V2 was still stationary. V1 then crashed into the rear of V2.

Based on my investigation and observations on scene I determined V1 to be at fault for the motor vehicle crash.
