145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 1 struck the cement barrier as the vehicle made a left turn from Olden Street to Route 70 west. The driver lost control of the vehicle, went off the roadway to the right, jumped a curb and came to a final rest on a wooden landscaping support wall. The support wall was damaged from the accident and was located on the property of Brick Motor Inn, 912 Route 70. The cement barrier had damage that match the damage and markings to vehicle 1.

I spoke to the driver of vehicle 1 and he stated the following:

Driver 1 made a left turn from Olden Street onto Route 70 west. Once on Route 70 west, he made a right turn into what he believed was the entrance to Brick Diner. The vehicle then jumped a curb and got stuck on the wooden landscaping support wall. Driver 1 stated that did not hit the cement barrier prior to his accident.

Driver 1 was at fault for the accident and I issued him a summons for Careless Driving.
