**145. Crash Description/Narrative**

Investigation revealed Vehicle #02 was parked in a parking spot in the parking lot of Walmart (1872 Route 88). Vehicle #02 was parked head on in the spot. Vehicle #01 struck the rear driver side bumper of Vehicle #02 and fled the scene.

Driver #02 stated he was in the store shopping, and when he came out he observed his bumper to have damage on it. I observed minor damage to the bumper and white paint transfer.

Walmart employees advised they have security cameras on the outside of the store, but could not access them at this time.
