145. Crash Description/Narrative

Vehicle #2 was traveling in the far left turning lane, on Jack Martin Blvd northbound. Vehicle #1 was exiting the ramp from Route 70 eastbound, onto Jack Martin Blvd northbound. Vehicle #1's left front bumper struck the passenger side of vehicle #2. Vehicle #2 traveled off the left side of the roadway and struck the curb.

Driver of vehicle #2 stated he was traveling in the far left turning lane, on Jack Martin Blvd northbound. At that time, vehicle #1's front bumper struck the passenger side of his vehicle.

Driver of vehicle #1 stated he was exiting the ramp of Route 70 eastbound, onto Jack Martin Blvd northbound. He was traveling through the center lane, in between two vehicles and could not see vehicle #2 traveling in the far left lane. At that time, his front bumper struck the passenger side of vehicle #2.

Based off my observations and both driver's statements, I find vehicle #1 at fault for failing to yield to right of way to vehicle. No injuries were reported at the time of the crash.
