145. Crash Description/Narrative

Two vehicle crash occurred in the parking lot at 1902 Route 88 (Wawa) on 12/1/2021 at approximately 0917 hours.

My body worn camera was on during this investigation.

Driver of vehicle #1 advised she had just backed out of a marked parking spot located in front of the store and was stopped in the travel lane getting ready to move her car into drive and proceed forward. Driver of vehicle #1 stated as she was stopped in the travel lane she was struck from behind by vehicle #2.

Driver of vehicle #2 stated she was backing out of a marked parking spot located in front of the store and observed the travel lane to be clear prior to backing. Driver of vehicle #2 advised she was already in the travel lane and was struck from behind by the rear of vehicle #1.

I responded inside the Wawa and viewed surveillance footage from the camera located on the east corner of the building. I observed vehicle #2 back out of the marked parking spot and come to a stop in the travel lane for approximately 2 seconds. Then, I observed vehicle #1 back out of a marked parking spot and crash into the rear of vehicle #2. The footage was captured on my body worn camera.
