145. Crash Description/Narrative

On December 1, 2021, I (Ptl. T. Berkeley 318) responded to the parking lot of Brick Tile & Stone, 2104 Route 88, for a report of a single-vehicle motor vehicle accident. Upon arrival, I met with the single male occupant of the vehicle Ben Lugo. I asked Lugo if he wanted any medical attention to assess for injuries. Lugo denied any medical attention and stated that he was not injured.

Lugo advised that he was traveling east on Route 88 and was making a left-hand turn into the parking lot of 2104 Route 88 when he struck a utility pole that is located in the center of the lot. Lugo stated he had driver-side front-end damage to the vehicle and had AAA responding to tow the vehicle.

I then inspected the utility pole and found no damage to it at the time of the incident. I also inspected the damage to Lugo's vehicle. There was significant damage to the driver's side tire and driver's side wheel well. The damage corroborated Lugo's statements.

Due to Lugo having AAA responding with the vehicle parked in a safe location and no apparent fluids on the ground or in the area, I left the scene with no further police action. My body-worn camera was activated during
