145. Crash Description/Narrative

A motor vehicle hit and run crash occurred on Hoover Drive approximately 100 feet north of Route 88.

This crash occurred on 11/21/2021 at approximately 2100 hours and wasn't reported to this Department until 11/22/2021 at approximately 1322 hours. I responded to speak to this individual initially in reference to a harassment that occurred just prior to the hit and run crash. Reference case number 78263-21.

I spoke to Douglas Thomas who advised last night, two individuals kicked his door open and ran away from his room (Room 8 at Gaslight Motel). Douglas advised he gave chase to the two individuals who ran east across Hoover Drive to an awaiting black 4 door sedan. When the individuals entered the vehicle (one in the front passenger seat and one in the rear drivers seat), Douglas was running towards the drivers side door. Douglas stated the tires to the vehicle were straight and he turned towards the front of the vehicle in an attempt to take a picture of the license plate. As he was doing this, he observed the front tires turn towards him. The vehicle began to move, striking Douglas with the windshield/ pillar of the vehicle. Douglas fell to the ground, his phone left his hand and flew onto the property of 5 Hoover Drive. The vehicle traveled north on Hoover Drive without its headlights or tail lights on. Douglas observed the vehicle pull up to Taft Drive and could not see where the

vehicle went after that.

He could only describe the vehicle as a 4 door black sedan that may have had tinted windows (he never saw the driver of the vehicle just the two passengers that entered). See case number 78263-21 for description of the two passengers.

Vehicle #1 had two passengers enter the vehicle after kicking a door and running. When the subject (Douglas) ran towards the vehicle to take a picture of the license plate, the vehicle accelerated striking Douglas and leaving the area to an unknown direction.

Douglas had complaint of pain in his shoulder and chest. He refused medical treatment.

I spoke to numerous residents on Hoover Drive with negative results for observing this crash or video surveillance.
