Clay Ave

Route 88

145. Crash Description/Narrative

V1 traveling eastbound on Rt. 88. V2 traveling westbound on Route 88.

Driver of V1 stated that a vehicle in front of him was constantly changing their speed and braking because he believed V1 was following them too closely. At one point driver of V1 stated that vehicle came to an abrupt stop in front of him and he had no choice but to swerve to avoid a collision. Upon doing so V1 entered directly into oncoming traffic into the path of V2. V2 then crashed into V1.

Driver of V2 stated they were traveling westbound on Rt. 88 when V1 suddenly turned left in front of them.

Based on my investigation and observations on scene I determined V1 to be at fault for the motor vehicle crash.
