145. Crash Description/Narrative

Investigation at the scene indicated the following: **Vehicle 2 faced south while parked directly in front of 1640**

Route 88. Vehicle 1 traveled east in the parking lot of 1640 Route 88 and attempted to make a left turn. As

vehicle 1 turned, the rear passenger side of the semi-trailer struck the rear passenger side of vehicle 2.

Vehicle 2 was occupied by the driver and a passenger at the time of the accident.

I spoke to the driver of vehicle 1, and he stated the following:

He had to drive his semi-trailer close to vehicle 2 so he could clear the left turn. As he turned, the rear passenger side of his trailer struck the rear passenger side of the parked ambulance.

I spoke to the occupant of vehicle 2, Janna Santos, and she stated the following:

Her vehicle faced 1640 Route 88 while parked and she felt a bump while she was inside the vehicle. She looked back

and saw a big truck had struck her vehicle. The vehicle was also occupied by a patient at the time of the accident.
