145. Crash Description/Narrative

Vehicle 1 was traveling West on Jack Martin Blvd. and struck Vehicle 2 in the rear bumper with it's front bumper.

Vehicle 2 was stopped to make a left turn into 459 Jack Martin Blvd. when it was struck by Vehicle 1. Vehicle 2 received minor damage to the rear bumper. Vehicle 1 received disabling damage to the front of the vehicle. Driver 1 moved her vehicle to a safe location and had her nephew respond to the location and tow her vehicle.

Driver 1 advised she was looking for 459 Jack Martin Blvd. and failed to pay attention to the traffic in front of her vehicle. Driver 1 further advised she turned her head forward and observed Vehicle 2, but was unable to stop in time before colliding with Vehicle 2. Driver 2 advised he was traveling West on Jack Martin Blvd. and came to a complete stop to turn into 459 Jack Martin Blvd. when his vehicle was struck from behind.

Based upon my observations and statements made by both drivers, I find Driver 1 at fault for failing to observe traffic stopped in front of her traveling vehicle.
