145. Crash Description/Narrative

Vehicle #1 collided with Vehicle #2 in a rear end crash while traveling northbound on Burrsville Road near Jack Martin Boulevard.

Vehicle #1 stated she observed Vehicle #2 stop in front of her and she attempted to stop to avoid the collision but was unsuccessful due to the wet road conditions. Driver #1 stated when she applied her brakes her vehicle skidded into the rear end of Vehicle #2. Vehicle #1 had moderate front end damage.

The Driver of Vehicle #2 stated she stopped in traffic at the traffic light at the intersection of Burrsville Road and Jack Martin Boulevard. Driver #2 stated while at a complete stop Vehicle #1 struck the rear end of her vehicle. Vehicle #2 had minor rear end damage. Driver #2 had a complaint of pain in the neck and back area. Brick EMS responded to the scene and evaluated Driver #2. Who ultimately declined to be transported to the hospital and advised she would go on her own.

Based on my observations and statements made by both parties I found the Driver of Vehicle #1 at fault for following too closely. Driver #1 was issued a summons for careless driving (39:4-97).
