145. Crash Description/Narrative

Vehicle #2 was stopped in traffic in the far right lane of Route 70 eastbound, near Princeton Ave. Vehicle #1 was stopped directly behind vehicle #2. Vehicle #1's front bumper struck the rear bumper of vehicle #2.

Driver of vehicle #2 stated she was stopped in traffic in the far right lane of Route 70 eastbound, near Princeton Ave. At that time, vehicle #1's front bumper struck her rear bumper.

Driver of vehicle #1 stated he was stopped directly behind vehicle #2. While stopped, he spilled his coffee cup into his lap, causing his foot to come off of the brake pedal. At that time his vehicle traveled forward and struck the rear bumper of vehicle #2.

Based off my observations and both driver's statements, I find vehicle #1 at fault for following too closely. No injuries were reported at the time of the crash.
