145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 2 was stopped in traffic in the center lane of Route 88 near the intersection of Route 70. Vehicle 1 was directly behind vehicle 2 and struck the rear of vehicle 2 with the front of the vehicle.

Driver 1 stated the following: He saw vehicle 2 slam on his brakes, so he began to step on his brakes. Something inside his vehicle fell to the floor so he reached down to pick it up while he continued to apply his brakes. He looked back to the roadway and swerved to the left to avoid collision. He was unable to, and the front of his vehicle struck the rear of vehicle 2.

Driver 2 stated the following: The vehicle in front of him slammed on the brakes. Driver 2 also slammed on his brakes. He looked in his rearview mirror and observed vehicle 1 traveling fast towards his vehicle. He braced for impact and the rear of his vehicle was struck by the front of vehicle 1.
