145. Crash Description/Narrative

Vehicle #1 was on the Westbound shoulder of Route 88 waiting to make a left turn onto Fort St. Vehicle #2 was traveling West on Route 88. Driver #1 attempted to make a left turn across the roadway and onto Fort Street as Vehicle #2 was passing, therefore causing the driver side of Vehicle #1 to collide with the passenger side of Vehicle #2.

Driver #1 initially stated she was on Route 88 in front of Vehicle #2 and attempted to make a left turn when she was suddenly struck by Vehicle #2. This information did not coincide with that of the damage to either vehicle. Driver #2 explained that he was traveling West on Route 88 approaching Vehicle #1 that was stopped on the shoulder of the roadway. Driver #2 further explained that Driver #1 suddenly pulled out and attempted to turn left as he was passing, therefore causing the collision. In speaking with Driver #1 again, she then advised that she was in fact on the shoulder when she attempted the turn onto Fort St.

Based upon my observations, and statements made by both drivers, I find Driver #1 at fault for careless driving. Driver #1 was issued summons #1506-T-155562 for 39:4-97(careless driving).
