145. Crash Description/Narrative

Crash investigation reveals a two vehicle crash in the parking lot 1765 Route 88. Driver of vehicle 1 stated as she was pulling into said parking lot from Princeton Avenue, vehicle 2 was backing out of a marked parking spot in front of the business and struck vehicle 1.

Driver of vehicle 2 stated he was already backed out of a marked parking spot and that his vehicle was stopped. While driver of vehicle 2 was stopped awaiting to put his car in drive, driver of vehicle 2 stated vehicle 1 crashed into the passenger side of his vehicle while vehicle 1 was parking.

Both vehicles had moved from where the crash occurred upon my arrival and were parked in front of the business. Due to both vehicles moving prior to my arrival, fault can't be determined for the driver of vehicle 1 or the driver of vehicle 2. No injuries were reported and both vehicles were driven from the scene.
