145 Crash Description/Narrative

On 01/12/2022, I was able to personally observe video surveillance footage of this accident. I observed footage from 655 Princeton Avenue, which is located on the south east corner of the intersection of 7th Street and Princeton Avenue. In the footage, I observed V1 traveling south on Princeton Avenue. I observed V2 traveling east on 7th Street. Once at the intersection, V2 stopped at the stop sign and proceeded through once safe to do so. V1 is seen failing to stop at the stop sign and entering the intersection, ultimately striking V2. V1 is found to be at fault for disobeying the stop sign.

Box 118a was changed from '00' to '16', referring to V1 disobeying the stop sign.

Box 119a was changed from '00' to '25', "None".

CHANGE REPORT WAS MADE SOLELY FOR THE CRASH DESCRIPTION/NARRATIVE, BOX 118A AND 119A. VIDEO FOOTAGE HAS BEEN ATTACHED.

145 Crash Description/Narrative

The driver of vehicle 1 stated that he was stopped for the stop sign at the intersection of Elaine St and Prospect St. north bound "trying to go straight out". Driver 1 stated that no one was coming in both directions and that he did not see vehicle 2 in the center two direction left turn lane and crashed into vehicle 2. The impact of the crash caused vehicle 1 to go backwards and crash into the now oncoming vehicle 3.

The driver of vehicle 2 stated he was driving east bound on Prospect St in the center two direction left turn lane when vehicle 1 struck his vehicle.

The driver of vehicle 3 stated that he was traveling in a marked lane east bound on Prospect St when the impact of vehicles 1 and 2 caused the rear of vehicle 1 to crash into the front of his vehicle.

There were no injuries reported or observed to any occupant. All vehicles were driven from the scene.

Based on driver statements I find driver 1 at fault of the crash for failure to obey stop sign. Driver 2 has shared fault of the crash for failure to keep right.

145 Crash Description/Narrative

V1: Stated that she was stopped at the red light on Buckingham Dr. when she attempted to make a right turn on to Rt 70 East bound. The driver of V1 stated when she made the turn it was clear and all of a sudden she was struck in the rear passenger side bumper of her vehicle. Neither the driver or her passenger were injured and both left the scene in her vehicle.

V2: Stated that he was traveling East on Rt 70 when V1 pulled out in front of him. The driver of V2 stated that he could not avoid the crash and struck V1 on the rear bumper. The driver of V2 stated he was not injured and he left the scene in his vehicle.

Through my brief investigation I find V1 at fault for not yielding to V2 and causing the crash.

145 Crash Description/Narrative

V1 and V2 crashed in the intersection of Kingsfield Drive and Hillside Boulevard. Prior to the crash V1 was westbound on Kingsfield Drive attempting to turn left onto Hillside Boulevard, while V2 was being driven northbound on Hillside Boulevard.

I spoke with Driver 1, who said that he looked left and had plenty of room. He stated that Driver 2 told him she was speeding. Driver 1 stated that his head was "ringing" from the crash. He did not request EMS.

I then spoke with Driver 2, who confirmed that she was likely going too fast. She did not report any injury.

I find that Driver 1 failed to yield to V2, but V2's speed likely contributed to the crash.

145 Crash Description/Narrative

On 1/13/22 at approximately 1006hrs, I was dispatched to the intersection of Clifton Avenue & Courtney Road in reference to a crash. Upon arrival, I met with the driver of vehicle 1 who was identified as Sara Schwartz. Ms. Schwartz reported that while she was traveling West on Courtney Road, she came to a complete stop at the intersection of Clifton Avenue. Ms. Schwartz continued reporting that she did not observe vehicle 2 traveling Northbound on Clifton Avenue and was struck on the driver side by vehicle 2.

I then spoke with the driver of vehicle 2 who was identified as Hindy Kraus. Ms. Kraus reported that while she was traveling North on Clifton Avenue, vehicle 1 suddenly drove into the intersection causing her to crash into vehicle 1.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained dents and scratches to the driver side area and was leaking an unknown fluid. Multiple airbags deployed due to the crash. Vehicle 1 was towed by Freedom Towing.

Vehicle 2 sustained heavy front end damage causing it to become disabled. Multiple airbags deployed due to the crash. Vehicle 2 was towed by Moishy's Towing.

Driver #1 stated he was traveling south on Paco Way when Veh #2 made a U-turn in front of him and he was unable to stop. Driver #2 stated he was traveling south on Paco Way and missed his turn on to Corporate Rd W and made a U-turn/K-turn and did not see Veh #1 coming. This officers investigation finds Driver #2 at fault for making a U-turn which interfered with the safety of oncoming traffic and made such turn with disregard for oncoming traffic.

145 Crash Description/Narrative

Driver of vehicle 1 was stopped in traffic facing westbound on 4th St that intersected with Clifton Ave. She reported that she activated her left turn signal and wanted to turn left into the back of 231 3rd St (Police HQ) but it was hard to see the traffic flow due to the congestion. She attempted to make the turn that ultimately struck vehicle 2 on the driver side doors.

Driver of vehicle 2 was travelling eastbound on 4th St that intersects with Clifton Ave. She reported that as she was driving onward, vehicle 1 turned into her vehicle resulting in the accident.

After my investigation, I determined that driver of vehicle 1 is at fault for failure to obey to the flow of traffic. Vehicle 1 sustained minor damage to the front of the vehicle resulting in a few scratches. Vehicle 2 sustained moderate damage to the front and rear driver side doors. There were no injuries reported at the scene of the crash.

Driver of vehicle 2 stated she was stopped a red traffic signal in the far right lane facing east on Ocean Avenue. While stopped at this traffic signal, vehicle 2 was struck on the rear bumper by vehicle 1. Driver of vehicle 2 stated the driver of vehicle 1 yelled at her out of his passenger side window and then traveled south on New Hampshire Avenue leaving the scene.

The driver of vehicle 2 described vehicle 1 as a white in color SUV with a New Jersey registration of E13MUP. I personally observed white paint transfer on the rear bumper of vehicle 2. The driver of vehicle 1 was described as an Hispanic male approximately 40 years of age. I then drove to the registered owners residence of vehicle 1 to locate this vehicle which yielded negative results.

Possible driver of vehicle 1 was added into Spillman.

145 Crash Description/Narrative

Driver of vehicle 1 was stopped on River Ave (Rt. 9) facing northbound that intersected with Oak St. She reported that she had her left turn signal activated to turn into 780 River Ave (Brentwood Apartments). She stated that she attempted to make her turn because vehicle 2 was not close to her prior to her turn. Driver of vehicle 1 misjudged the distance and caused the motor vehicle accident. Vehicle 1 auto insurance is Bristol West Insurance Company NAIC# 19658

Driver of vehicle 2 was travelling southbound on River Ave approaching the intersection of Oak St. He stated vehicle 1 made a quick left hand turn going into the Brentwood Apartments but there was not enough time for him to safely stop. He stated he applied the brakes but skidded forward due to the slick roads from the rain. After colliding with vehicle 1, vehicle 2 was forced into oncoming traffic where he ultimately collided with vehicle 3.

Driver of vehicle 3 was travelling northbound on River Ave approaching the intersection of Oak St. She stated that she was driving behind vehicle 2 and just remembers a vehicle colliding with her on the driver side of her vehicle.

After my investigation, driver of vehicle 1 is at fault for failure to yield to oncoming traffic. Vehicle 1 sustained disabling damage to the passenger rear side of the vehicle causing airbag deployment and being towed by Barina's Automotive. Vehicle 2 sustained disabling damage to the front of the vehicle resulting in airbag deployment and being towed by Moishy's Towing. Vehicle 3 sustained disabling damage to the driver side front and rear door that was towed by Moishy's Towing. No injuries reported at the scene of the crash.

145 Crash Description/Narrative

The driver of Vehicle #1 stated she was traveling South on Oberlin Avenue. She further reported there was another vehicle stopped in the roadway which caused her to move towards the right of the road. The driver of Vehicle #1 said that she is an Uber driver and was making a left turn into the parking lot of 485 Oberlin Avenue South when Vehicle #2 crashed into her.

The driver of Vehicle #2 stated she was traveling South on Oberlin Avenue when she saw Vehicle #1 attempting to perform an illegal u-turn in front of her. She said Vehicle #1 crashed into her vehicle as a result.

I observed damage to the front driver fender area on Vehicle #1. I observed damage along the passenger side of Vehicle #2 and the front passenger window was broken. There was debris and shattered glass in the roadway on Oberlin Avenue South. The position of the debris and shattered glass was not by the entrance to the parking lot. It was further South which indicated the crash most likely occurred past the entrance.

There were no available witnesses on scene. The front passenger in Vehicle #2 stated broken glass hit his face, but denied wanting medical attention.

The driver of Vehicle #1 is most likely at fault.

P1 stated she was walking north on Clover Street when she heard a "loud bang". P1 then stated she was next on her feet and was walking when a white, Orthodox Jewish male in his mid twenties, partially got out of his vehicle and asked if she was hurt. P1 stated she was embarrassed by the incident and did not report it until later on. P1 stated she had a complaint of pain to entire left side and her lower back. She did not seek any medical treatment after the accident. I advised her to follow up with a physician if any pain persists.

I personally observed video of the incident which has been attached to this call. P1 is seen jaywalking north on Clover Street perpendicular to two (2) crosswalks. V1 is then seen traveling east on E 4th Street, failing to stop at the posted stop sign at the intersection of Clover St. V1 proceeds through the intersection and strikes P1. V1 stops for a moment until P1 walks off. It appears a brief interaction took place between the driver of V1 and P1 before the end of the video. V1 appears to be a later model Nissan SUV. No registration is observed on the footage. V1 is found to partially at fault for disobeying the stop sign. P1 is also found to be at fault for jaywalking.

145 Crash Description/Narrative

On January 3, 2022 at approximately 2146 hours there was a fatal motor vehicle crash on the property of NJ Transit located at 200 1st Street in Lakewood, NJ. Upon my arrival, I was notified that the pedestrian, Jose Romero was pronounced at Monmouth Medical Center Southern Campus at 2217 hours. NJ Transit Police responded to the scene and assisted with interviews and towing of the transit bus.

There were two video cameras one at the Valero gas station (219 Main St) and another on the building of 202 Main Street that captured the crash. At approximately 2127 hours, NJ Transit bus #7351 is seen on Main Street stopped awaiting traffic to clear to make a left turn into the terminal. When traffic clears, the driver of the bus proceeds to turn into the terminal and as he crosses over the sidewalk he strikes the pedestrian. The pedestrian was walking east on the sidewalk, from the same direction the bus was facing.

The bus struck the pedestrian on the driver side of the front bumper. After impact, the bus runs over the pedestrian with the tires and continues to the terminal where it parks and leaves approximately ten minutes later, it does not appear the driver knew an accident had occurred. There were no passengers on the bus at the time of the crash. The driver exits the terminal and continues to his ending location in Howell, NJ. NJ Transit police located the bus and driver at the Howell Bus Terminal. The bus was impounded by the NJ Transit's tow company and the driver was transported to Lakewood Police Headquarters. OCPO along with NJ Transit Detectives conducted an interview with the driver. (See OCPO and NJ Transits investigative reports for further information).

From my investigation, the driver of the bus was driving east on Main Street, turned on his left turn signal and awaited for traffic to clear prior to turning into the bus terminal. In the interview, the driver stated that the entrance to the terminal has been recently paved and the surface is uneven and that there is a bump when entering the terminal. Scaled diagram to be completed by Lakewood Traffic Safety Unit. No charges have been filed at the time of this report. V1 is a public entity of the state of NJ and does not require automobile insurance according to NJ State Law.

145 Crash Description/Narrative

Vehicle #2 is a school bus owned by Presidential Transportation Co. It is insured by Central Insures Group Inc. 1360 N. Atherton St. State College, PA 16803.

The driver of vehicle #2 reported that she was stopped with the the red lights and stop sign activated as she prepared to have children to exit the bus. While stopped the bus was struck by vehicle #1.

The driver of vehicle #1 initially reported that he "spaced out" and then struck the bus. He denied being under the influence of any medications or other intoxicants. While speaking with him I did not observe any signs of impairment.

After obtaining all the necessary documents from the drivers and clearing the vehicles from the roadway, I again spoke to the driver of vehicle #1. He now indicated that the bus was stopped with its lights on and he was slowing down to stop when he took his eyes off of the roadway and then did not stop in time to avoid the crash.

There were no injuries reported at the scene of the crash. Vehicle #1 sustained front end damage and needed to be towed from the scene. Vehicle #2 sustained damage to the rear bumper of the bus and was able to be driven from the scene.

The driver of vehicle #1 was issued a summons for causing the crash.

145 Crash Description/Narrative

Vehicle #2 is insured by Trexis Insurance PO Box 682322 Franklin, TN 37068

The driver of vehicle #1 reported that she was traveling East on Prospect St and prior to approaching William St. attempted to enter the left turn lane so she could make a left turn onto Williams St. when her vehicle collided with vehicle #2.

The driver of vehicle #2 reported that she was already in the left turn lane as she intended to make a left turn onto Williams St. once she reached the intersection. Before reaching the intersection, her vehicle was struck by vehicle #1.

There were no injuries reported at the scene of the crash. Vehicle #1 sustained damage to the front driver side fender, headlight, and bumper cover. Vehicle #2 had pre-existing damage along the entire passenger side of the vehicle however as a result of this crash there was a new dent and scratches to the front passenger side door of the vehicle and a flat front tire.

Once I arrived to the scene of the crash both vehicles had been parked on Williams St. facing Southbound. I did observe debris in the roadway on Prospect St. in the area where the driver of vehicle #1 indicated the crash happened. This in combination with the damage to the vehicles and the statements of the drivers have lead me to determine that crash occurred when vehicle #1 failed to see vehicle #2 as she tried to change lanes.

145 Crash Description/Narrative

Driver 1 stated, he was traveling south through the intersection of Ocean Ave & Clover St. He stated, vehicle 1 suddenly made a left in front of his vehicle, ultimately causing the collision. It should be noted, he stated a school bus made a right from Ocean Ave onto Clover St, possibly blocking driver 2's view. The damage was primarily to the front end. No injuries reported.

Driver 2 stated, he was making a left onto Ocean Ave from Clover St and was suddenly involved in an accident. Driver 2 stated, he was unaware where vehicle 1 came from. It should be noted, driver 2 also stated a school bus making a turn at the intersection possibly blocked his view. The damage was primarily to the front passenger side. No injuries reported.

As a result of my investigation, I, Patrolman Connor Woods #418 determined driver 2 at fault for the crash due to failing to yield the right of way to vehicle 1 and improper turning.

145 Crash Description/Narrative

On 1/13/2022 at approximately 0914hrs, I was dispatched to E Kennedy Boulevard in reference to a crash. Upon arrival, I met with the driver of vehicle 1 who was identified as Joel Berdah. Mr. Berdah reported that while he was traveling East on E Kennedy Boulevard, he drove into the right shoulder and attempted to make right turn onto Princeton Avenue. Mr. Berdah further reported that when he went to do so, the driver of vehicle 2 attempted to make the right turn onto Princeton Avenue as well and struck his vehicle.

I then spoke with the driver of vehicle 2 who was identified as David Herzog. Mr. Herzog reported that while he was traveling East on E Kennedy Boulevard, vehicle 1 drove onto the shoulder and attempted to go around him causing his vehicle to be struck.

There were no injuries reported at the scene of the crash

Vehicle 1 sustained scratches and dents to the driver side rear door.

Vehicle 2 sustained scratches and dents to the front passenger side fender and bumper.

The driver of V1 attempted to stop behind V2 but could not. The front bumper of V1 struck the rear bumper of V2 causing visible damage to both vehicles. No injuries were reported by either driver. Both drivers agreed to this sequence of events.

145 Crash Description/Narrative

Supplement Report is to document boxes 118a, b, 119a and b, have been changed due to exterior security footage that was obtained on 01/06/2022.

Exterior security footage located at the north west corner of Hillside Blvd and New Egypt Rd shows Vehicle 1 conduct a left turn from New Egypt Rd onto Hillside Blvd during a red traffic signal. Footage also shows Vehicle 2 travelling west on New Egypt Rd at a high rate of speed and passes through the intersection during a red traffic signal as well. Vehicle 1 is observed already in the intersection conducting a left turn when Vehicle 2 enters, striking Vehicle 1.

From my investigation, I concluded that driver of Vehicle 1 was at fault for failing to yield and failing to observe traffic signal. I also concluded that driver of Vehicle 2 was at fault for unsafe speed and failing to observe the traffic signal.

Both drivers of Vehicle 1 & 2 were issued motor vehicle citations for failure to observe traffic signal (39:4-81a) and careless driving (39:4-97).

145 Crash Description/Narrative

V1 struck V2 while backing in the parking lot of 400 New Hampshire Avenue. At the time of the crash V2 was parked facing east in the lot. V2 is owned by Labcorp; I spoke with the assigned user of this vehicle Vincent Castellano Jr (Labcorp employee). Vincent said that V1 was observed by a security guard (Fredo Louis-Jeune) backing into his vehicle. I spoke with Fredo on scene and confirmed same. He asked Driver 1 to move her vehicle to a different spot because the one she chose was reserved. While backing she struck V2.

Driver 1 said she was asked to move her vehicle she did not notice V2 parked along the curb behind her. Driver 2 has yet to exhibit proper proof of insurance and was cited for same. She only provided a policy number by email.

145 Crash Description/Narrative

DRIVER OF VEH 1 STATED HE WAS TRAVELING NORTH ON FOREST AVENUE AND STOPPED FOR THE STOP SIGN AT THE INTERSECTION OF 6TH STREET. THIS INTERSECTION IS A 4 WAY STOP, AND DRIVER 1 SAID HE THOUGHT IT WAS HIS TURN TO GO STRAIGHT. DRIVER 1 SAID WHEN HE PROCEEDED STRAIGHT, VEH 2 ALSO WENT THROUGH THE STOP SIGN AND HIT HIS CAR. DRIVER 1 SAID DRIVER 2 WAS ON HIS CELL PHONE NOT PAYING ATTENTION.

DRIVER OF VEH 2 STATED HE WAS TRAVELING EAST ON 6TH STREET AND STOPPED FOR THE STOP SIGN AT THE INTERSECTION OF FOREST AVENUE. THIS WAS A 4 WAY STOP INTERSECTION AND DRIVER 2 SAID HE THOUGHT HE WAS CLEAR TO PROCEED THROUGH THE INTERSECTION. DRIVER 2 SAID WHEN HE PROCEEDED STRAIGHT, HE WAS STRUCK BY VEH 1 THAT WENT THROUGH THE STOP SIGN.

UPON MY INVESTIGATION I DETERMINED BOTH CARS AT FAULT FOR THE CRASH. BOTH CARS HAD STOP SIGNS AND HAD TO MAKE SURE THE ROADWAY WAS COMPLETELY CLEAR PRIOR TO PROCEEDING INTO TRAFFIC.

145 Crash Description/Narrative

Driver of V1 stated that she was traveling east on Golders Green Rd. Driver of V1 further stated that as she was turning right into a parking lot, she was struck by V2 on the middle passenger side portion of her vehicle. Driver of V2 stated that he was (inching) out of a parking spot, facing east on Golders Green Rd. Driver of V2 further stated that as he was (inching) out of the parking spot, V1 proceeded to make a right turn into the parking lot and ultimately ended up striking his vehicle in the front driver side portion of his front bumper.

A witness stated that they were in their vehicle in front of 15 Golders Green Rd. facing west when they observed V1 made a right turn in front of V2 causing the crash. I asked the witness if they observed V2 pulling out of the parking spot, they stated no they did not observe V2 exiting the parking spot.

In conclusion to my investigation, I determined that the driver of V2 to be at fault for driver inattention and the fact that V1 had the right of way.

145 Crash Description/Narrative

Vehicle 1 was traveling Eastbound on W Countyline rd, attempted to change to the right lane, realized that another vehicle was in the right lane, and went back into the left lane where he crashed into the rear of vehicle 2.

Driver 1 stated he was traveling Eastbound on W Countyline rd when he attempted to make a lane change to the right. He did not notice a vehicle in his blind spot and this vehicle beeped. He then attempted to get back into the left lane and crashed into the rear of vehicle 2 which was stopped in traffic in the left lane on W Countyline rd.

Driver 2 stated he was stopped in traffic in the left lane on W Countyline Rd when vehicle 1 crashed into the rear of his vehicle.

Vehicle 2 was disabled due to the back right tire being flat. There were no reported injuries on scene.

Based on my observations and speaking with both drivers, I determined that driver 1 was at fault for making an improper lane change which caused the crash.

Vehicle 2 has out of state insurance and the information is as follows; Unitrin Auto and Home Insurance Company, Century Coverage Insurance Services 3701 Old Court Rd #13 Baltimore, MD 21208, 410-580-1900. Policy Number 1071640601

145 Crash Description/Narrative

I responded to the area of Martin Luther King Drive and Pine Street for a report of a silver vehicle which struck a street sign, and went off onto the grass area beyond the sign. On Martin Luther King Drive, approximately fifty (50) feet north from the intersection of Pine Street, I observed a street sign post. The post was slanted at an approximate forty-five (45) degree angle north, indicating that it was struck by a vehicle traveling northbound on Martin Luther King Dr. I observed a set of skid marks on Martin Luther King Drive just prior to the street sign and beyond it in the grass, which continued about thirty (30) feet. At the end of the skid marks, I located a 'No Parking' street sign with about three (3) feet of the post still attached. I observed no cameras or vehicle debris nearby. The caller was uncooperative and did not wish to make a statement.

Box 101 '99' refers to the street sign being located in the grass.

145 Crash Description/Narrative

The driver of Vehicle 1 stated that Vehicle 2 was stopped in traffic in front of him, when he realized he applied his brakes, but due to the rain he hydroplaned into the rear of Vehicle 2 causing the crash.

The driver of Vehicle 2 stated he was stopped in traffic due to the red traffic signal. While waiting in traffic Vehicle 1 crashed into the rear of Vehicle 2. After speaking with both drivers and observing the damaged vehicles, I determined that Vehicle 1 did not give himself the proper distance to safely brake and come to a stop.

145 Crash Description/Narrative

On 1/07/2022 at approximately 1208hrs, I was dispatched to the intersection of River Avenue & Cross Street for a report of a crash.

Upon arrival, I met with the driver of vehicle 2 who was identified as Yehuda Kesherim. Mr. Kesherim reported that while he was traveling West on Chestnut Street, when he crossed into the intersection, his vehicle was suddenly struck on the passenger side by vehicle 1. Mr. Kesherim further reported that the light was in fact green while he was driving.

I then met with the driver of vehicle 1 who was identified as Leah Liebes. Ms. Liebes reported that while she was traveling South on River Avenue, she was "pretty sure" the light was green when she was going through the intersection of River Avenue and Cross Street. Ms. Liebes further reported that while she was traveling, she struck vehicle 2 in the intersection.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained cracks and scratches to the front bumper.

Vehicle 2 sustained scratches and denting along both passenger side doors.

Mr. Kesherim reported that a witness had dashcam footage of the accident. As of this writing, I have not yet received any footage.

145 Crash Description/Narrative

Vehicle #1 was travelling South on New Hampshire Avenue going straight ahead. **Vehicle #2** was travelling North on New Hampshire Avenue going straight ahead and was making a left turn onto Pine Street as **Vehicle #1** was crossing the intersection, causing the crash. The impact caused **Vehicle #2** to be pushed forward into the fence of 1555 Pine Street on the New Hampshire Avenue side causing dents to the fence. **Vehicle #1** sustained dents to the front bumper with front airbag deployment. **Vehicle #2** sustained dents to the middle passenger side of the vehicle as well as dents to the front bumper. Driver 1 had complaint of pain to the chest and head and was transported to Monmouth Medical Southern Campus for observation. **Vehicle #1** front passenger had complaint of pain to her chest and was transported to Monmouth Medical Southern Campus for observation. Driver 2 also stated he had minor head pain and was transported to Monmouth Medical Southern Campus for observation. **Vehicle #1** was towed by a private tow. Moishy's towing was on scene and towed **Vehicle #2** for Barina's with Barina's permission.

Driver 1 stated he was travelling straight ahead on New Hampshire Avenue. As he was crossing the intersection, **Vehicle #2** made a left turn in front of him causing the crash.

Driver 2 did not have a clear description of how the crash occurred at the time of my arrival. He stated he was travelling North on New Hampshire Avenue and was involved in a crash crossing the intersection. I responded over to Monmouth Medical Southern Campus to obtain Driver 2 insurance and registration information. He stated he was stopped in the middle of the intersection waiting for traffic to clear to make a left turn. As the light turned Yellow, he proceeded to turn and **Vehicle #1** crossed the intersection at a high rate of speed. Driver 2 also advised me he previously purchased the vehicle and received the title. He was able to insure the vehicle but has yet to register the vehicle. Driver 2 was issued a summons for unregistered vehicle.

My investigation concluded **Vehicle #2** was at fault for the crash for not yielding right of way.

145 Crash Description/Narrative

Vehicle 1 was traveling eastbound on 14th St. and crashed into a parked vehicle.

Driver 1 stated he was traveling eastbound on 14th St. when he started to nod off and then fell asleep. He then crashed into vehicle 2 which was legally parked on the south side of 14th St. facing east.

There were no reported injuries on scene and both cars sustained major damage.

Based on my observations and speaking with the driver, I determined that he was at fault for falling asleep which caused the crash.

145 Crash Description/Narrative

The driver of V2 stated she was traveling east on Chestnut St. She was stopped at the stop sign attempting to make a left onto New Hampshire Ave. While waiting for traffic to clear, V1 went around V2 on the right and turned left in front of her, striking V2 in the process. Both vehicles pulled over in the parking lot of 915 New Hampshire Ave. V1 left the parking lot prior to exchanging information and prior to police arrival. The driver of V2 was able to provide two pictures of the driver and vehicle type of V1. These were attached to report.

Based on my investigation, V1 caused the crash by improperly passing V2 striking V2 in the process.

The pictures showed a white Dodge Pickup truck bearing what appeared to be a temporary registration of 800 208, possibly Pennsylvania. I contacted the Pennsylvania Law Enforcement Support Hotline, but that restoration was not valid.

145 Crash Description/Narrative

On 1/7/2022 at approximately 0853hrs, I was dispatched to Gudzs Road for a report of a crash.

Upon arrival, I met with the driver of vehicle 1 who was identified as Jordan Silva-Lopez. Mr. Silva-Lopez reported that while he was traveling North on Gudzs Road, a vehicle was pulling out in front of him. I then met with the driver of vehicle 2 who was identified as Mordechai Kaluszyner. Mr. Kaluszyner reported that he had parked his vehicle on Gudzs Road and went into a nearby house for morning prayer.

No injuries were reported at the scene of the crash.

Vehicle 1 sustained dents and scratches to the front passenger side door.

Vehicle 2 sustained large dents, scratches and a broken taillight on the rear driver side of the vehicle.
