145. Crash Description/Narrative

Vehicle one was traveling east in the parking lot of 1640 Route 88. Driver one advised that she did not see a light pole in the center of the parking lot. Vehicle one struck the light pole with the front driver's side bumper. I observed vehicle one sustained the following damage; cracked front bumper, dented front driver's side quarter panel, driver's side front wheel well was caved in, front driver's side tire was flat, front driver's side door pushed out of alignment and the windshield was cracked. The light pole did not sustain any damage. Driver one was asked if she was injured and stated she is not and declined medical attention. After closer inspection of driver one I observed a small amount of blood on her scalp within her hairline. Again driver one advised she is not injured and refused medical attention. Glen's towing responded to the scene and removed vehicle one. Driver one was issued summons T-155118 for failure to wear a seatbelt.
