145. Crash Description/Narrative

The Driver of V#2 stated she was traveling east on Rt 70, in the right lane, just west of Rt 88, stopped in traffic, when V#1 struck her from behind. She stated the traffic signal just turned green and traffic did not begin to move when V#1 struck her.

The Driver of V#1 stated she was directly behind V#2. She stated she thought V#2 began to move so she proceeded forward. By the time she realized V#2 was still stopped it was too late and she struck the rear of V#2.

Based on both drivers statements and the evidence at the scene, it is my determination V#1 caused the crash by failing to observe V#2 stopped in front of her.

No injuries reported. Minor damage to both vehicles.
