145 Crash Description/Narrative

The driver of Vehicle 1 was traveling north on New Hampshire Ave. stated that he was making a left turn and believed that he had enough distance from Vehicle 2 to properly make the turn. While turning, Vehicle 1 crashed into Vehicle 2 causing minor damage.

The driver of Vehicle 2 was traveling south on New Hampshire Ave. when Vehicle 1 made a turn in front of him causing the crash. After speaking with both drivers I determined that Vehicle 1 did not yield to Vehicle 2 prior to entering his lane and attempting his left turn.

Driver of V1 stated he was stopped South on Lakewood Rd at the stop sign. D1 reported he believed the stop sign for 5th St was for D2 on N Lake Dr and attempted to turn right. D1 stated he collided with V2.

Driver of V2 stated he was traveling North on N Lake Dr. D2 stated V1 pulled out from the stop sign and collided with his vehicle.

Both vehicles had minor damage to the front bumpers.

I determined V1 was at fault for the crash. D1 had a stop sign and did not yield to V2, who was oncoming traffic. I made this determination based on statements from both drivers, the location of damage to both vehicles and my observations of the crash scene.

145 Crash Description/Narrative

Conflicting stories.

D1 stated he was parked in the driveway of the alley located next to 111 Clifton Ave. D1 stated as he was backing out into the street, Veh 2 who was parked north of the driveway on Clifton Ave facing North. D1 stated D2 must have started to back as well. D1 stated the two cars bumped into each other.

No new damages seen to Veh 1. Veh one may have some dust/dirt which was wiped away from rubbing against veh 2's bumper.

D2 stated he was parked facing north on Clifton Ave, when Veh 1 struck his rear bumper. Veh 2's bumper was scraped and cracked all over from prior wear and tear and i did not see or nor could I identify any new damages. Neither could D2 himself, however, wanted the incident documented.

Due to conflicting stories I was unable to determine complete fault. **NO DAMAGES OCCURRED FROM THE IMPACT.** There are camera's outside of the building on 111 Clifton Ave, unknown who owns them and businesses were closed.

No Injuries were reported.

The driver of Vehicle 1 stated she was driving behind Vehicle 2 northbound on New Hampshire Avenue bearing right to make a right hand turn on to Ocean Avenue. When Vehicle 2 slowed down to yield to a vehicle coming eastbound on Ocean Avenue, she applied the brakes and her tires slid on the wet pavement causing a minor rear-end crash. Vehicle 1 sustained minor damage to the front of the vehicle.

The driver of Vehicle 2 stated she was on New Hampshire Avenue, yielding for a vehicle traveling eastbound on Ocean Avenue when she felt a small bump from the rear of her vehicle which was Vehicle 1 crashing into the rear of her vehicle. Vehicle 2 sustained minor damage to the rear of the vehicle.

No injuries were reported.

Based on my observations and statements provided by both drivers, Vehicle 1 is at fault for the collision.

145 Crash Description/Narrative

Driver of vehicle one stated she was traveling East on Ocean Ave, just past Hoover Ave. Behind her, she saw the suspect vehicle driving in a careless manner, ultimately attempting to pass her in a double yellow. Ahead, Driver of vehicle one observed oncoming traffic. To avoid a head on collision next to her, Driver of vehicle one attempted to move to the shoulder. In doing so, she struck the curb, causing both her passenger side tires to deflate.

Driver of the suspect vehicle stated she was driving behind vehicle one. She further stated she believed there were two Eastbound lanes and attempted to go around vehicle one. While passing vehicle one, she observed traffic coming at her head on. Driver of the suspect vehicle stated due to vehicle one moving to the shoulder, she moved into the Eastbound lane and avoided a head on collision.

Driver of the witness vehicle stated he was traveling West on Ocean Ave. While going West, he observed the suspect vehicle illegally pass vehicle one and driving in a careless manner. To avoid a head on collision, witness stated he moved to the shoulder.

As a result of my investigation, I determined the driver of the suspect vehicle to be at fault for vehicle ones crash, due to improper passing and careless driving.

The front bumper of V2 struck the rear bumper of V1 at a slow speed causing minor damage to V1.

After the collision, both drivers exited their vehicles to speak. Mr. Ginsparg stated that he spoke with the driver of V2 that he describes as a Hispanic male of average height and build. Mr. Ginsparg asked D2 if he could use his phone to call his wife and D2 agreed. Mr. Ginsparg then called his wife and decided he wanted to make a police report. When he said this to D2, the male stated "wait one minute" then got into his vehicle and drove off west bound on Central Ave. Mr. Ginsparg gave an Illinois registration number of CW88593 for V2 and described it as a minivan of unknown make, model or color. The registration shows V2 to be a 2007 Nissan registered to a Marvin Monroy in Illinois. He was further able to provide a telephone number of 848-480-7467 for D2 that he obtained from his wife's telephone. I attempted to contact D2 through this number with negative results.

No reported injuries.

Vehicle 1 was traveling South on Cedarbridge Ave. as Vehicle 2 was traveling Northbound on Cedarbridge Ave. Both vehicles collided in the intersection of Cedarbridge Ave. and New Hampshire Ave. as they both attempted to turn and head West on New Hampshire Ave.

Driver of Vehicle 2 stated she had a green left turn signal and entered into the intersection of New Hampshire Ave. and Cedarbridge Ave. Vehicle 1 collided with her vehicle on the passenger side causing minor damage to both vehicles when she made a right on red and attempted to turned into the left most lane on New Hampshire Ave.

145 Crash Description/Narrative

The driver of V2 stated that she was traveling west on Ocean Avenue. While traveling west, she proceeded to go through the intersection of New Hampshire & Ocean Ave. As she was driving through the intersection, she noticed a red light. The driver of V2 expressed as soon as she noticed she had a red light, that's when v1 collided into her driver's side. The driver of V2 explained that she didn't notice the red light until the last moment due to the sun in her eyes. The driver of V2 was transported to Hackensack Meridian Jersey Shore University due to complaints of right leg complications. The passenger inside V2 was checked out and treated by EMS at the scene. V2 was disabled and removed from the scene by ACME Towing. The driver of V2 was issued a summons #289278 for failure to obey a traffic signal.

Due to the driver of V1 complaint of chest pain and possible broken ribs, I could not get a statement. V1 was disabled and removed from the scene by ACME Towing.

Witness: Witnesses stated that the driver of V1 was traveling north on New Hampshire. While he was going through the intersection of New Hampshire & Ocean Ave, he collided into V2. Witness mentioned that V1 had a green light and V2 had a red light.

Based on my investigation V2 is at fault for failure to obey traffic signal.

145 Crash Description/Narrative

The driver of Vehicle 1 stated he was driving south on New Hampshire Avenue. As he attempted to switch lanes from the left lane to the right lane, he did not see Vehicle 2 on his right hand side. He struck the drivers side front bumper of Vehicle 2 causing Vehicle 2 to exited the roadway to the right and crash into a brush area. Vehicle 2 sustained minor damage to the passengers side front bumper.

The driver of Vehicle 2 stated he was driving southbound on New Hampshire Avenue on the outside lane when Vehicle 1 cut him off and caused him to exit the roadway to the right and crash into the wooded brush area.

No injuries were reported.

Based on my observations and statements provided by both drivers, Vehicle 1 is at fault for the crash.

145 Crash Description/Narrative

Driver of vehicle 1 was parked in the area of 71 Cushman St facing southbound. He reported that he parked it there in front of the synagogue during Shabbos so he can pray. After Shabbos was over, he went to his vehicle and found the driver rear side of the vehicle to be smashed and the passenger rear side tire pushed up on the curb.

Vehicle 1 sustained disabling damage to the driver rear side near the tire and also the passenger rear tire was flat due to the impact of it hitting the curb. The vehicle is parked on the street at a dead end. There is camera footage that will be attached to this case but it is unclear to get a registration of the other vehicle involved. It is seen to be a white SUV, presumably a Jeep Grand Cherokee.

145 Crash Description/Narrative

The Driver of Vehicle #2 stated that she was exiting her home at 8 Sienna Way prior to the crash. The Driver of Vehicle #2 stated that she was in a hurry and not paying attention causing her to hit Vehicle #1. The Driver of Vehicle #2 backed into Vehicle #1 which was parked and unoccupied. The Driver of Vehicle #2 did not report any injury to Police.

Vehicle #1 was parked on the west bound side of Sienna Way. There are "No Stopping or Standing" signs posted on the Street.

Due to the Driver of Vehicle #2 admittedly backing unsafely and Vehicle #1 being parked improperly, I find both parties at fault for this crash.

Driver of veh 1 stated that he was traveling East on RT 70 when veh2 crashed into him. He does not know how it happened. He did explain that if he continued to travel , he would have needed to enter in her lane of travel the closer he approached the traffic light.

Driver of veh2 stated that she was traveling East on Rt70 when veh1 entered into her lane of travel. The sudden transition did not leave her anytime to avoid the crash, which resulted in veh1 side swiping her.

No medical attention needed.

Veh1 sustained very minor damage. Veh2 sustained moderate damage. Veh2 driver side door is currently unable to be opened.

I find veh1 at fault for this accident.

145 Crash Description/Narrative

The driver of the vehicle did not witness the crash. However a witness observed the entire incident. She stated that she observed a Jay's School bus crash into veh2. The bus did not stop, yet the driver blew through a near by red traffic light.

I observed cameras on the building of 101 chase. I also spoke with a gas attendant at Quick Chek who also confirmed that he noticed two Jay buses in the parking lot shopping around the time of the crash.

Veh2 sustained moderate damage. The front bumper was taking off but the driver was still able to drive his vehicle home.

I attempted to contact the owner of Jay's bus company via telephone. My results were negative at this time.

The driver of Vehicle 1 was travelling west on 4 Seasons Dr. and stated that as he approached the posted stop sign, he hit the accelerator instead of the brakes. He then continued into the intersection and crashed into Vehicle 2.

The driver of Vehicle 2 was traveling south on Spring Meadow Dr. and stated he was about to make a left turn when he observed Vehicle 1 continuing into the intersection without stopping. Vehicle 2 was unable to avoid the crash in time. Based on my observations and speaking with each driver, I determined that Vehicle 1 did not stop at the posted stop sign and crashed into Vehicle 2.

145 Crash Description/Narrative

Driver of Vehicle 2 stated she was attempting to conduct a left turn from New Hampshire Ave south bound onto 929 New Hampshire Ave, when she was struck from behind by Vehicle 1. Driver of Vehicle 1 stated he was driving south bound on New Hampshire Ave, when he struck Vehicle 2.

Vehicle 1 sustained damages consisting of major denting, as well as undercarriage damage, to the rear passenger side area of the vehicle, resulting in disabling it. Vehicle 2 sustained major damages to the front driver side area and engine, as well as front airbag deployment.

Vehicle 1 was impounded due to the registration being invalid. Vehicle 2 was towed due to the damages.

From my investigation, I concluded that driver of Vehicle 1 was at fault for following too closely behind Vehicle 2, and that Vehicle 2 was at fault for conducting an illegal left turn.

Driver of Vehicle 1 was issued a motor vehicle citation for operating a vehicle as an unlicensed driver (39:3-10), and operating an unregistered vehicle (39:3-4).

145 Crash Description/Narrative

Driver of vehicle one stated she was traveling East on Cedar Bridge Avenue in the left hand lane. Furthermore she stated upon approaching the intersection at Melville Road, vehicle two turned left from Melville Road subsequently violating her right of way and striking her vehicle.

Upon the collision and due to the force of the impact, vehicle one went off the roadway to the left. It then crossed the West bound traffic lanes on Cedar Bridge Avenue striking a curb then a fence on the South side of the property at 391 Cedar Bridge Avenue. Minor property damage was caused as a result of impact.

Driver of vehicle two stated he was stopped at the stop sign at Melville Road at the intersection of Cedar Bridge Avenue preparing to turn Left. Upon turning, his view became obstructed by traffic causing him to collide with vehicle one.

As a result of my investigation and a statement from an eye witness, I have determined the driver of vehicle two to be at fault due to failure to yield right of way to vehicle one.

END OF NARRATIVE.

*** Insurance for vehicle 2**
Florida state self insured
Certificate Number 4620

The driver of vehicle 1 stated that he was parked in the parking lot of 1248 River Ave facing west when vehicle 2 crashed into his vehicle.

The driver of vehicle 2 stated he was backing out of a parking spot, did not see vehicle 1, and backed into it.

There were no injuries observed or reported. Vehicle 1 was driven from the scene by the driver, vehicle 2 was left on the scene for a licensed driver.

Based on driver statements, I find driver 2 at fault of the crash for backing unsafely and for being an unlicensed driver.

145 Crash Description/Narrative

Driver 1 stated, he was stopped at the intersection of E 5th St and Ridge Ave letting children off of the bus. He stated, the emergency lights were activated and the stop sign was signaling. He stated, as the children began to exit the bus, he was rear ended by vehicle 2. No injuries reported. The damage was primarily to the rear.

Driver 2 stated, she was stopped behind the school bus at the stop sign on the intersection of E 5th St & Ridge Ave. She stated, the bus began to go and quickly stopped again, causing the collision. It should be noted, vehicle 2 exhibited heavy front end damage and did not appear to be consistent with driver 2's statement.

As a result of my investigation, I, Patrolman Connor Woods #418 determined driver 2 at fault for the crash due to following too closely and driver inattention.

145 Crash Description/Narrative

V1 struck V2 from behind on River Avenue (US-9) northbound, approximately 150 feet north of Henry Street. Prior to the crash both vehicles were being driven straight ahead past an existing crash scene. A police vehicle was set up with emergency lights activated behind this other scene, angled slightly into the roadway to allow for a safe investigation of this other crash.

Driver 1's statement explained that he went past the crash and slowing in traffic when he was struck from behind.

Driver 2's statement explained that he was distracted by the crash scene and struck V2.

Both statements were recorded on my body worn camera. No injuries were reported. Both vehicles were driven from the scene. I find that Driver 1 is responsible for the crash due to inattention.

145 Crash Description/Narrative

On 1/14/2022 at approximately 1335hrs, I was dispatched to Sunset Road for a report of a crash. Upon arrival, I met with the driver of vehicle 2 who was identified as Sarah Glazer. Ms. Glazer reported that while she was attempting to turn left onto Powderhorn Drive, she was struck by vehicle 1 on the driver side.

I then spoke with the driver of vehicle 1 who was identified as Maria Delcarmen. Ms. Delcarmen reported that while she was traveling North on Sunset Road, she did not observe vehicle 2's turn signal and crashed into the driver side of vehicle 2 which was turning left onto Powderhorn Drive.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained large dents and scratches to the driver side front and rear door area.

Vehicle 2 sustained a broken passenger side headlight, cracks dents and scratches to the passenger side bumper and fender.

145 Crash Description/Narrative

Driver #1 stated she was stopped in traffic facing East waiting to make a left turn into 1125 Ocean Avenue. Driver #1 stated Vehicle #2 never stopped behind her and the left front corner of Vehicle #2 collided with the right rear corner of her vehicle. Vehicle #1 sustained moderate damage and was driven from the scene.

Driver #2 stated he was traveling East on Ocean Avenue and did not notice in time Vehicle #1 stopped in traffic and the left front corner of his vehicle collided with the right rear corner of Vehicle #1. Vehicle #2 sustained moderate damage and was driven from the scene.

Based on statements from the involved parties, and my observations at the scene and damage to the vehicles, I determined that Vehicle #2 was at fault due to driver inattention and following too closely.

No injuries reported at the scene.

Vehicle 2 no contact crash. (2017 Lexus BL NJ Registration T78NDD VIN 2 58ABK1GGHU078165 02/23 DRIVEN by Yehuda Spiegel 09/16/1998 DL # S70627898909982 22 Tuscany Terr Lakewood, NJ 08701 Insurance Nationwide code 917 Policy # 5129J 007338).

Driver 1 stated that he was traveling West on East County Line Road and had to swerve to avoid a collision with vehicle 2 who was pulling out of Tuscany Terrace to make a left turn onto East County Line Road. While he swerved, he did not make contact with vehicle 2 described above but instead crashed into a tree at the parking lot of the Holy Family School at 1141 East County Line Road. Driver 1 stated that he had not choice to swerve right because vehicle 2 was already in the lane.

Driver of the vehicle 2 that made no contact stated that he was inching out into traffic from Tuscany Terrace and stopped when he saw vehicle 1 traveling West on East County Line Rd. Even though no contact was made, collision was caused by vehicle 2 failing to yield right of vehicle 1 which caused vehicle 1 to leave the roadway and crash into a tree.

No injuries reported.

145 Crash Description/Narrative

V1 struck V2 from behind near the entrance to 475 Oberlin Avenue South.

Driver 1 stated that V2 turned out in front of her, causing her to strike it.

Driver 2 stated he came from Pine Street and was going straight on Oberlin Avenue South the whole time prior to the crash. He said that as he was turning right into his office (475 Oberlin Avenue South) V1 attempted to "zip around" him, but in doing so struck his rear driver side corner.

I observed damage to the rear driver side bumper and tail lamp housing of V2. Consistent damage was observed on the front passenger side of V1, specifically the side mirror which must have struck the lamp housing of V2.

Driver 1 is responsible due to unsafe passing around a turning vehicle. While speaking to her and Driver 2, she confirmed in my presence that she offered Driver 2 \$75 to settle the crash without police involvement. Upon further questioning, her statement was not consistent. She was issued one summons for unlicensed driving.

V1's insurance was verified as active on a phone call to NJM following the crash.

145 Crash Description/Narrative

The driver of V1 stated he was traveling west on Locust St. He stopped at the stop sign to cross onto Hanover Way. He proceeded through the intersection but did not observe V2 traveling east on Locust St. V1 and V2 collided.

The driver of V2 stated he was traveling east on Locust St. V1 crossed in front of V2. V1 and V2 collided.

Based on my investigation, V1 caused the crash by failing to observe the stop sign and failed to yield to the right of way of V2.
