145 Crash Description/Narrative

Driver of V1 stated that he believes he was struck at the 7 o'clock which caused him to strike V2 at the 6 o'clock. It should be noted the Driver of V1 was evaluated by both Hatzolah and Lakewood EMS which he subsequently refused to be transported to the hospital for his head injury.

V2 was parked and the owner of the vehicle was not present for the crash to provide a statement.

The results of the investigation revealed that Driver of V1 somehow lost control of his vehicle which he then subsequently struck V2. It should be noted the Driver of V1 stated that he was struck at the 7 o'clock by another vehicle but there was no damage to that location. Further investigation showed that V1 was partially covered in road salt residue which did not show any signs of an impact from another vehicle. Additionally because V1's front airbag was deployed I checked the Driver of V1's seatbelt to see if it was locked in place. The Driver of V1 was seated on top of his seatbelt but he was not secured and the belt was locked tight in place. I also observed the front windshield was cracked which the Driver of V1 may have hit his head possibly causing a concussion.

145 Crash Description/Narrative

Upon my arrival to the crash, I observed V1 collided into the front of V2 head on, which V2's rear bumper then collided into the front of V3.

Driver of V1 fled the scene upon my arrival.

Driver of V1 was then located on 8th and Clifton Ave and per his statements, he was traveling West from 5th St getting chased by an unknown vehicle. Driver of V1 then crossed from Lexington Ave into 5th St and collided head on into V2 which then V2 collided into V3. Driver of V1 stated he left the scene once he crashed his vehicle because he was afraid of the unknown person in the vehicle chasing him.

It should be noted that witnesses to this accident did not mention anything about a 4th vehicle.

When questioning Driver of V1 if he had valid insurance, he stated his sister had the information on her phone. Driver of V1 was advised to present a copy of the insurance as soon as possible.

No injuries were reported at the time of the scene

Driver of V1 was charged with 39:4-130, 39:4-97 and 39:4-129 and later transferred to OCJ for violation of 2C:35-10A (1).

145 Crash Descriptive/Narrative

On 1/19/2022 at approximately 0743hrs, I responded to Sunset Road in reference to a crash. Upon arrival, I met with the driver of vehicle 1 who was identified as Vincent Pepek. Mr. Pepek reported that while he was turning right onto Sunset Road, the back passenger side of his vehicle struck vehicle 2. Mr. Pepek further reported that while he was attempting to make a wider turn onto Sunset Road, he was unable to do so due to the oncoming traffic. Mr. Pepek also stated that vehicle 2 was parked too close to the intersection for larger vehicles to make proper turns.

I then observed where vehicle 2 was located and deemed it was in fact parked improperly. Vehicle 2 was too close to the intersection causing larger vehicles to not make a turn properly. I was unable to make contact with the owner of vehicle 2 but left a Lakewood Police Report card on the vehicle with all information on it needed for this report.

It should be noted, I attempted to contact the party listed as the registered owner of vehicle 2 multiple times with no success at the time of this writing.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained minimal scratching on the back passenger side tire.

Vehicle 2 sustained heavy damage to the rear driver side of the vehicle.

On 1/19/2022 at approximately 1412hrs, I responded to River Avenue & Chestnut Street in reference to a crash. Upon arrival, I met with the driver of vehicle 2 who was identified as Raphael Eisemann. Mr. Eisemann reported that while he was traveling South on River Avenue, he attempted to get into the turning lane so he could make a left onto Chestnut Street. Mr. Eisemann further reported that while attempting to do so, his vehicle was struck on the passenger side door area by vehicle 1, causing his vehicle to crash into the rear driver side of vehicle 3.

I then spoke to the driver of vehicle 1 who was identified as Tzvi Dinkels. Mr. Dinkels reported that while he was attempting to make a right onto River Avenue, he did not observe vehicle 2 traveling South and he then crashed into vehicle 2.

I then met with the driver of vehicle 3 who was identified as Joanne Asta. Ms. Asta reported that while she was waiting for the light to turn green, her vehicle was suddenly struck in the rear driver side by vehicle 2 as a result of the crash.

145 Crash Description/Narrative

Driver of vehicle 1 stated she was Southbound on Powderhorn DR. She stated as she was approaching the intersection of Hearth CT E vehicle 2 crashed into the side of her vehicle. She stated the impact then caused her to crash into the stop sign knocking it over where her vehicle then came to a rest.

Driver of vehicle 2 stated she was Westbound on Hearth CT E and was approaching the intersection of Powderhorn DR. She stated as she went forward she crashed into the side of vehicle 1. She stated she does not think she stopped at the stop sign prior to crashing into vehicle 1.

The front lawn of 204 Powderhorn DR was damage with tire marks due to the crash.

In my investigation I find vehicle 2 at fault for this crash for failure to yield to vehicle and failure to stop at a stop sign due to vehicle 2 having a stop sign.

145 Crash Description/Narrative

Upon arriving to the scene of the crash the driver of vehicle and the occupants of vehicle #2 were not on scene. The vehicle was left on the side of the roadway and I was advised by the registered owner that his wife was driving and was now home at their residence. She ultimately responded back to the scene after being advised to do so.

The driver of vehicle #1 reported that he was starting from being parked and when he went to enter the roadway he did not see vehicle #2 and the two collided.

The driver of vehicle #2 reported that she was traveling West on Finchley Blvd. when her vehicle was struck by vehicle #1.

There were no injuries reported at the scene. Vehicle #1 had pre-existing damage to the front driver side fender as there was a fist sized rot hole in the fender. As a result of this crash the front of the fender was now scratched and dented and there were scratches to the front driver side of the bumper. Vehicle #2 had pre-existing damage to the front passenger side door and there was evidence of a dent and rusting on the lower portion of the front passenger side door. As a result of this crash both the front and rear passenger side doors were scratched and dented.

145 Crash Description/Narrative

Driver 1 stated that while stopped in traffic he lost his concentration, took his foot off the brake and crashed into the rear of Vehicle 2.

Driver 2 stated that he was stopped at a red traffic signal on Cedarbridge Ave when his vehicle was suddenly struck in the rear.

Vehicle 1 sustained damage to the front bumper and license plate consisting of minor dents and the license plate being dented.

Vehicle 2 sustained damage to the rear bumper consisting of minor dents and paint transfer.

Due to driver statements and my observations I determined that Driver 1 was not paying attention and crashed into the rear of Vehicle 2.

There were no injuries reported on scene. End of report.

145 Crash Description/Narrative

V2 was parked in the parking lot of Andrew's Corner, 9 Lisa Robyn Cir. The owner had not driven V2 in a few weeks. He drove V2 on January 19th, 2022. While operating V2, he noticed the alignment was off. He noticed damage to the front bumper, driver fender, and front driver wheel. When he returned home, two neighbors approached him to advise him of an accident that occurred with V2.

On December 31st, 2021 at approximately 21:00 hours Joseph Gliniski and Brandon McNamara were outside conversing. They observed V1 described to be a large silver pickup truck, possibly a Chevrolet Silverado, attempting to either park or leave a parking space. V2 was parked next to where V1 was parking or leaving. They heard a what sounded like a tire rubbing on a fender and observed V1 exit that parking space. They observed damage to V2. They were unable to contact the owner until this date.

I was able to locate V1 in the parking lot a few spots east of where the crash occurred. The owner of V1 responded to the parking lot. She advised that she came to Lisa Robyn Cir on December 31st, 2021 to visit her girlfriend. While parking she heard her tire rubbing against the fender which was normal. She was unaware that V1 struck V2. She cooperated fully with the investigation. V1's exhaust pipe extended further than the rear passenger tire and was approximately the same height of the damage on V2.

Based on my investigation, V1 caused the crash by striking V2 while V2 was legally parked.

145 Crash Description/Narrative

The driver of V2 stated she was traveling west on Main Street, in the right turn lane prior to Madison Avenue. The driver stated a Lakewood Police Officer was traveling north on Madison Avenue with their overhead lights and audible device activated. The driver stated, she then applied her brakes and did not enter the intersection, when she was rear ended by V1. The driver described V1 as an older model, gold in color, Dodge Caravan which was bearing NJ Registration W62MSE. The driver described the driver of V1 has a middle aged (40-50) Hispanic male. The driver stated the male got out of his vehicle, asked if she was okay and then left. Damage was a minor scratch to the rear of V2. The driver had a complaint of head pain, was checked out on scene by Hatzolah EMS but refused further medical attention.

I observed MVR footage from Ptl. Joseph Mandelbaum's patrol vehicle #3356. I observed Ptl. Mandelbaum #420 traveling north on Madison Avenue. On Main Street just east of Madison Avenue, I observed a beige colored minivan (V1) rear end a black Toyota sedan (V2). The Toyota goes forward and then is rear ended again by V1. The registration given by the driver of V2 comes back on a 2008 Dodge Caravan, beige in color. The Registered Owner for V1's residence was checked for V1, yielding negative results. An attempt to contact the Registered Owner in person and telephonically also yielded negative results. It is unknown who was driving V1 at this time.

145 Crash Description/Narrative

D1 stated that he was driving West on E County Line Rd towards Squankum Rd. He stated the traffic signal was green when suddenly a girl just came out in front of his vehicle and he struck P1 in the crosswalk in the intersection of E County Line Rd & Squankum Rd. D1 then pulled to the side of the road, D1 was visibly shaken up by the incident and was checked by EMS but denied any medical treatment.

A Witness stated he was in the left lane on E County Line Rd when he saw 2 girls running on the crosswalk and heard a loud bang. W1 stated he did not see the impact but once he heard the bang something didn't seem right. He then pulled over to the side and dialed "911". W1 stated he doesn't really remember if the light was green or not but he believes it was. We were able to obtain video footage from Wawa and burn it on a disc. Footage matches both drivers and witness story.

P1 was walking with her older sister (P2) P2 stated they were crossing on the cross walk, when she realized a vehicle was coming towards the intersection, she yelled for P1 to stop but she continued to run towards the center island as was struck by V1.

P1 was transported to Jersey Shore Medical Center by Hatzolah. Ptl. Guzman #301 was advised by medical staff that P1 suffered a Skull fracture, right femur fracture and a left side laceration to the forehead. Gitty's injuries required emergency surgery. As of 01/18/2022 P1 was in stable condition.

145 Crash Description/Narrative

P1 stated he was traveling east on Pine St on an electric scooter. While crossing the intersection of Washington Ave, V1 turned left from Pine St onto Washington Ave. P1 struck the side of V1 causing P1 to fall to the ground. V1 pulled over momentarily then fled the scene.

V1 was described to be a dark colored "90s" style sedan.

Based on my investigation, V1 caused the crash by not yielding to the right of way of P1.

145 Crash Description/Narrative

The driver of Vehicle 1 was traveling north on Madison Ave. and was slowing to a stop for traffic when Vehicle 3 crashed into the rear of Vehicle 2. This crash pushed Vehicle 2 into Vehicle 1. The driver of Vehicle 1 was traveling north on Madison Ave. and was slowing to a stop when Vehicle 2 crashed into the rear of Vehicle 1.

Based off my observations and speaking with both drivers involved, it appeared that Vehicle 3 did not yield / stop for Vehicle 2 and crashed into the rear of Vehicle 2, which caused Vehicle 2 to crash into Vehicle 1. At this time no witnesses have come forward or stayed on scene and no surveillance footage has been located in that location. The only description provided by the drivers involved, is a younger male, possibly in his 20's, and a dark colored unknown make / model vehicle.

145 Crash Description/Narrative

The owner of V2 stated she parked V2 in a parking space behind her place of work at 12 America Ave at approximately 1100 hours. She went out to V2 to retrieve an item at approximately 1500 hours and observed damage to the rear bumper. She contacted the management of the building. They obtained video of V1, white Mercedes sprinter van bearing NY registration KUH2207, strike V2 at 1:47 hours.

The owner of V1 was contacted via his local PD. I spoke to him via telephone. He admitted to operating V1 at the time of the crash. He stated V2 was sticking out of the parking space slightly more and V1 struck the rear of V2. He did not believe there was significant damage and left the area. He provided his information and fully cooperated with the investigation.

Based on my investigation, V1 caused the crash by striking V2 while V2 was legally parked.

145 Crash Description/Narrative

Veh #1 was traveling East on Spruce St. Veh#2 was parked facing East on Spruce St. Veh#3 was parked facing East on Spruce St.

The driver of Vehicle #1 stated that he was driving from Route 9, and coming from a wedding. He stated that he was the only occupant of vehicle #1. The driver of vehicle #1 would admit to driving and crashing.

Based on observations on scene, it would appear that Veh#1, while traveling East on Spruce St, first side swiped Veh #2, then continued on, crashing into Veh#3, then came to a stop after jumping the curb.

The driver of Veh#1 was arrested for DWI, see police investigative report for further details of the incident. The driver of Veh#1 was evaluated by Hatzolah EMS, but refused to go to the hospital, not claiming any injury. Later while at Lakewood Police Headquarters, the driver of Veh #1 would complain of pain to his left wrist/arm, but refuse medical treatment.

145 Crash Description/Narrative

On 1/19/2022 at approximately 1113hrs, I was dispatched to New Hampshire Avenue & Swarthmore Avenue in reference to a crash with injuries. Upon arrival, Hatzolah members had already removed the driver of vehicle 2, who was later identified as David Segal, from his vehicle. Mr. Segal was complaining of head pain from the crash. One Hatzolah member did inform me that Mr. Segal was suffering from a concussion and was being taken to Jersey Shore Medical Center.

A witness by the name of David Burket approached Ptl. M. Mooney and reported to him that he was traveling directly behind vehicle 2. Mr. Burket stated that the Swarthmore Avenue light turned green and vehicle 2 began to travel in an attempt to make the left onto New Hampshire Avenue. While doing so, Mr. Burket stated that vehicle 1 crashed into the driver side of vehicle 2 which cause vehicle 2 to swerve off of the roadway and crash into a phone box on the side of New Hampshire Avenue.

Another witness by the name of Shmuel Lipschutz, approached me and had told me that he had observed the crash. Mr. Lipschutz stated that he was traveling North on New Hampshire Avenue and was two vehicles behind vehicle 1. Mr. Lipschutz then reported that the New Hampshire Avenue light turned red and vehicle 1 never stopped and continued through the intersection, causing him to crash into the driver side of vehicle 2.

I then approached vehicle 1 and attempted to speak to the driver who was identified as Carlos Millan-Rodrigues. Mr. Rodrigues was complaining of chest pain from the crash. Mr. Millan-Rodrigues was not able to provide a statement due to his injuries and was taken to Kimbal Medical Center by Lakewood EMS.

Freedom Towing towed both vehicles to their tow yard.

Vehicle 1 sustained heavy front end damage causing both front airbags to deploy.

Vehicle 2 sustained heavy front end and driver side damage causing multiple airbag deployments.

I went to Kimbal Medical Center and was unable to speak to Mr. Millan-Rodrigues because he was undergoing testing. I did leave a note with all information needed from Mr. Millan-Rodrigues along with his keys and registration card.

As of this writing, I still have not received any information from Mr. Millan-Rodrigues.

145 Crash Description/Narrative

Driver 1 stated that while traveling North on Madison Ave he was not paying attention and accidentally drifted into the right lane striking Vehicle 2.

Driver 2 stated that he was stopped in traffic at the red light on Madison Ave and 6th St when his vehicle was suddenly struck by Vehicle 1.

Vehicle 1 sustained damage to the front bumper and passenger side corner panel consisting of the bumper and panel being cracked and dented. Vehicle 1 would not start and was towed due to being disabled.

Vehicle 2 did not have any visible damage.

Due to driver statements and my observations I determined that Driver 1 was not paying attention and caused the crash.

There were no injuries on scene.

Driver 1 was issued a summons for being unlicensed. End of report.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was Eastbound on Central Ave and was approaching the intersection of Columbus Ave. He stated as he attempted to turn right onto Columbus Ave, vehicle 2 crashed into the side of his vehicle. He stated he was in front of vehicle 2. Driver 1 stated vehicle 2 attempted to pass him on the right to turn right. Driver 1 also noted he is really sure he had his right turn signal on.

Driver of vehicle 2 stated he was Eastbound on Central Ave and was approaching the intersection of Columbus Ave. He stated as he was approaching Columbus Ave he observed vehicle 1 in front of him. He stated it appeared that vehicle 1 was going forward so he attempted to turn right onto Columbus Ave but vehicle 1 made a wide right turn and crashed into the side of his vehicle. He stated vehicle 1 pushed his vehicle into the curb. He also stated vehicle 1 did not have his right turn signal on.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and improper turning as vehicle 2 needs to yield to the vehicle in front and make sure it is clear before attempting to turn.

145 Crash Description/Narrative

Vehicle #1 was travelling East on Ridge Avenue getting ready to make a right turn onto New Hampshire Avenue. Vehicle #2 was travelling behind Vehicle #1. Vehicle #1 made an abrupt stop due to the vehicle in front of him stopping short. Vehicle #2 was unable to stop in time and crashed into the rear of Vehicle #1. Vehicle #1 sustained scratches to the rear driver side bumper. Vehicle #2 sustained scratches to the front passenger side fender. There were no reports of injuries.

Driver 1 stated he was travelling on Ridge Avenue getting ready to make a right turn onto New Hampshire Avenue. He stated he stopped for the vehicle in front of him and Vehicle #2 crashed into the rear of his vehicle.

Driver 2 stated she was travelling behind Vehicle #1 who kept hitting his brakes. Vehicle #1 made an abrupt stop and Driver 2 was unable to stop in time.

My investigation finds Vehicle #2 to be at fault for following too closely.

Vehicle #2 sustained dents and scratches to the middle driver side of the vehicle with airbag deployment and was towed by Moishy's towing. Driver 1 sustained a laceration to his thumb but declined medical attention.

Driver 1 stated he was travelling straight ahead on Madison Avenue. As he was crossing the intersection, his vehicle was struck by Vehicle #2.

Driver 2 stated she approached the stop sign and made a complete stop. She awaited for traffic to clear and there was no one in sight. As she was crossing the intersection, Vehicle #1 came down at a high rate of speed.

It should be noted when travelling at this intersection on 10th street, there are signs posted between the hours of 7am and 7pm, right hand only turns are permitted.

My investigation finds Vehicle #2 to be at fault for failing to stop at a stop sign. She was also issued a summons for failing to stop.

145 Crash Description/Narrative

The driver of Vehicle 1 stated she pulled into the parking lot of 231 Main Street and since the parking lot was too congested, she began to reverse back towards Main Street to try and exit the parking lot. Driver 1 stated while she was reversing, Vehicle 2 was positioned behind her drivers side and caused them to crash. Vehicle 1 sustained damage to the drivers side rear door.

The driver of Vehicle 2 stated she pulled into the parking lot of 231 Main Street and then stopped her vehicle while waiting for the traffic ahead of her to move. As she was stopped she saw Vehicle 1 reversing towards her, however did not hit the horn thinking the driver of Vehicle 1 saw her. Vehicle 1 ended up backing into Vehicle 2. Vehicle 2 sustained damage to the Passengers side front bumper/headlight area.

No injuries were reported.

Based on my observations and statements provided by both drivers, Vehicle 1 is at fault for the collision.

Vehicle 1 was issued a summons for unregistered vehicle and remained on private property until registered.

145 Crash Description/Narrative

Vehicle 2 struck vehicle 1 in the rear on River Ave while the police car, which was traveling southbound on River Ave drove through the intersection with the lights and sirens activated.

I spoke with driver of vehicle 1 and she stated while traveling north bound on River Ave she stopped her vehicle due to the police car traveling through intersection with lights and sirens on. When she stopped her vehicle, she was struck by vehicle 2 in the rear.

Officer Yahr spoke with the driver of vehicle 2. Driver of vehicle 2 stated vehicle 1 stopped in front of him on River Ave and when he tried to stop his vehicle, he slid into the rear of vehicle 1. It should be noted that the roads were wet due to rain and snow throughout the day.

In conclusion, I determined that the driver of vehicle 2 is at fault due to following too closely to vehicle 1.
