144. Crash Diagram

145. Crash Description/Narrative

The driver of vehicle #2 stated she was in the right lane on Van Zile Rd, just north of Rt 70, stopped in traffic, when vehicle #1 struck her from behind.

The driver of vehicle #1 stated he was directly behind vehicle #2. He stated vehicle #2 as well as other vehicles in front of her began moving forward but stopped short to allow a bicyclist to cross the road. He stated he could not stop in time and struck the rear of vehicle #2.

Based on both drivers statements as well as the evidence at the scene of the crash, it is my determination that vehicle #1 caused the crash by following too closely.

No injuries reported. Minor damage to both vehicles.
