145. Crash Description/Narrative

Vehicle #1 was in the Southbound turn only lane on Jack Martin Blvd. Vehicle #2 was in the Southbound middle lane on Jack Martin making a left turn onto Route 70 to head East. Driver #1 attempted to travel straight on Jack Martin Blvd heading South from the turn only lane, and as a result collided with the rear driver side of Vehicle #2.

Driver #2 advised she was making the left turn onto Route 70 when she suddenly observed Vehicle #1 to her left attempting to go straight ahead. Driver #2 advised that she attempted to avoid the collision but did not have any time to react. Driver #1 first stated she was in the middle lane and Vehicle #2 was in the turn only lane which would have made the collision impossible based upon the damage to both vehicles. I spoke with passenger #1 who provided the same account as Driver #2. I also spoke with a witness who observed the collision from another vehicle that also provided the same account as both Driver #2 and Passenger #1. Driver #1 then changed her story to be consistent with that of everyone else. Witness #1 also provided a written Motor Vehicle Crash Statement Form.

Based upon my observations, and statements made by all parties, I find Driver #1 at fault for failing to yield the right of way to Vehicle #2 and careless driving. Driver #1 was issued Traffic Summons E17 003009 for 39:4-97A(Careless Driving) and E17 003010 for 39:3-29c(Failure to
