145 Crash Description/Narrative

Driver of V1 said he was traveling South on New Hampshire Ave. and as he approached the intersection of America Ave, the light turned yellow (as he went through it). He said V2 made a left turn off of America Ave in front of him and the two vehicles collided.

Driver of V2 said she was on America Ave (at the red light) waiting to make a left onto New Hampshire Ave. She said once the light changed she started to go and was struck by V1 which was traveling South on New Hampshire Ave.

After speaking with both drivers and reviewing video from the Department of Public Work it was determined that V1 was at fault for the crash. Video showed V2 stopped at the intersection, on America Ave. After approximately one minute and sixteen seconds she then makes the left onto New Hampshire Ave., her vehicle is then struck by V1.

145 Crash Description/Narrative

On February 4, 2022 at approximately 1259 hours, I, Ptl. Livingston #373 was dispatched to the aforementioned area for a report of a traffic sign into a fence and a knocked over electrical box. Upon arrival, I observed the electronic traffic sign, which is owned by Traffic Plan leaning up against the fence to Ocean County Park. Upon further observation two of the four legs were damaged. Next to the sign is an electrical box (3889) that was damaged and the wires are exposed. JCPL and/ or Verizon was contacted to fix the electrical box. Also, Traffic Plan was contacted to replace the traffic sign. There is minor damage to the fence of Ocean County Park.

Approximately ten feet south of the electrical box were tire marks. It is believed that the aforementioned objects were hit by a motor vehicle. A vehicle description is unknown at this time, but the vehicle would have moderate damage at approximately 12 o'clock from hitting the traffic sign. This did not occur as a result from a snow plow, as where the dirt/ grass and road meet is still intact.

It is unknown when this incident occurred.

145 Crash Description/Narrative

V1 struck V2 from behind on Cedarbridge Avenue eastbound, approximately 50 feet west of the intersection with New Hampshire Avenue.

Driver 2 stated that prior to the crash he was stopped in traffic with a few vehicles ahead of him at a red signal. He was in the middle lane, intending to go straight through the intersection.

Driver 1 stated her foot came off the brake pedal because she had to sneeze and cough at the same time.

I observed minor damage to the front bumper of V1 and the rear bumper of V2. I find that Driver 1 is responsible for inattention to the road. No injuries were reported.

RIVER AVE

145 Crash Description/Narrative

Driver of vehicle 1 stated she was Northbound on River Ave and was in stop and go traffic. She stated as she was going forward slowly, vehicle 2 crashed into the rear of her vehicle.

Driver of vehicle 2 stated she was Northbound on River Ave and was behind vehicle 1. She stated as she was going forward, vehicle 1 came to a sudden stop. Driver 2 stated she attempted to brake but she ended up crashing into the rear of vehicle 1.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and following too closely as vehicle 2 needs to keep enough distance between vehicles to stop safely.

145 Crash Description/Narrative

Driver of vehicle one stated to the effect: I was traveling East on Fifth Street crossing Madison Avenue. When I was crossing the intersection at Madison Avenue, vehicle two was traveling South on Madison Avenue and struck my vehicle. It was a big black vehicle and it was traveling too fast to read the license plate number. The vehicle continued South and didn't stop upon impact. Driver of vehicle one could not report what part of vehicle two was struck or the amount of damage caused.

As a result of my investigation, it is determined that the driver of vehicle one was crossing an intersection controlled by a stop sign. Driver of vehicle one failed to yield to on coming traffic on Madison Avenue subsequently colliding with vehicle two who was in transport.

No injuries reported or observed at the time of the incident. Vehicle one remained functional and was driven away from the scene. Vehicle two and it's driver are still unidentified at the time of this writing.

145 Crash Description/Narrative

Driver #1 stated she was traveling West through the parking lot of 1255 Route 70 when Vehicle #2 backed out of a parking space and collided with her vehicle. The left rear corner of Vehicle #2 collided with the right side of Vehicle #1. Vehicle #1 sustained moderate damage and was able to be driven from the scene.

Driver #2 stated she was backing out of a parking space and did not see Vehicle #1 and her vehicle collided with Vehicle #1. Vehicle #2 sustained moderate damage and was able to be driven from the scene.

I was pulling into the parking lot of 1255 Route 70 for an unrelated call for service and I witness this collision occur. I observed Vehicle #2 backing out of a parking space and collide with Vehicle #1. Vehicle #1 was traveling West through the parking lot and was partially past Vehicle #2 when Vehicle #2 reversed and collided with Vehicle #1. I determined Vehicle #2 is at fault for backing into Vehicle #1.

No injuries reported on scene.

145 Crash Description/Narrative

Driver of vehicle one stated to the effect: I was traveling West on Cedar Bridge Avenue and trying to stop in traffic. I couldn't stop in time and struck the vehicle in front of me.

Driver of vehicle two stated to the effect: I was traveling West on Cedar Bridge Avenue while traffic was slowing. I felt my vehicle get hit in the rear, then I was pushed in to the vehicle in front of me.

Driver of vehicle three stated to the effect: I was traveling West on Cedar Bridge Avenue. While slowing in traffic, I felt my vehicle get hit from behind.

As a result of my investigation, I have determined the driver of vehicle one to be at fault. Driver of vehicle one was following too closely to vehicle two; As a result, vehicle one could not stop in time while traffic was slowing to prevent colliding with vehicle two. Subsequently, vehicle two was set in forward motion by vehicle one causing her to collide with vehicle three.

No injuries observed or reported at the time of this incident. A combination of vehicle one's airbags were deployed upon impact. Due to disablement and expired registration vehicle one was towed from the scene by Moishy's Auto & Towing, Vehicle two towed due to disablement by same. Driver of vehicle one issued summonses for expired registration and careless driving.

End of narrative.

145 Crash Description/Narrative

Aaron Silberberg of Omni Distributions located at 200 Syracuse Court Unit 2 stated on Monday 02/07/2022 at approximately 1439 a semi with trailer attached backed into the loading bay causing damage to the wall and bay door. The driver of the truck who initially stopped left the scene before a report was able to be made.

Mr. Silberberg provided a Texas registration for the trailer of 212B-653. He also stated the semi had a Fawadi Logistics decal on it. The registration returned to a Fawadi Logisitcs based out of Floresville, TX. I contacted Fawadi Logisitcs who confirmed their driver was involved in the crash but failed to provide any documentation for this crash report. Video evidence of the crash was added to this call.

145 Crash Description/Narrative

****Box #25: Vehicle #1 is insured out of state by:**
State Farm Mutual Automobile Insurance Co
PO Box 89000
Atlanta, GA 30356

Driver #1 stated he was traveling East through the parking lot of the Woodlake Manor Condos, in the area of 268 Woodlake Manor Drive. Driver #1 stated as he was traveling East, Vehicle #2 backed out of a parking space and collided with his vehicle. The center rear of Vehicle #2 collided with the left front corner of Vehicle #1. Vehicle #1 sustained moderate damage and became disabled and was left parked at the scene as Driver #1 was having a private tow company respond to tow the vehicle.

Driver #2 stated he was backing out of his parking space and collided with Vehicle #1. Vehicle #2 sustained moderate damage and was left parked at the scene.

Based on statements from involved parties and my observations at the scene and damage to the vehicles, I determined that Vehicle #2 is at fault due to driver inattention and backing unsafely.

Driver #2 was issued motor vehicle summons #A-291573 for 39:3-10 (unlicensed driver).

No injuries reported at the scene.

Officers approached Jeffrey, and tried to get his attention, Jeffrey appeared to be unresponsive but alert and breathing. Lakewood First Aid arrived shortly and were able to get the Jeffrey out of the vehicle and bring him inside the ambulance. I was later informed that Narcan was deployed on Jeffrey causing him to gain consciousness. He was subsequently transported to Ocean Medical Center. 145 Crash Description/Narrative

Driver 2 stated he was driving east on Birch Street approaching River Avenue. He observed a green sedan possibly an older model Toyota Camry in front of him with it's left turn signal on. He had room to the right of the vehicle so he began to pull forward to make a right turn. Vehicle 1 then decided to turn right and side swiped vehicle 2 in the process. Vehicle 1 then drove off south on River Avenue.

Vehicle 2 sustained damage to the front bumper and driver front fender. Vehicle 1 should have damage to the passenger side front or rear door area.

No injuries were reported.

Driver 2 provided a plate of NJ R32HKK but he was unsure if it was the correct vehicle. That plate is registered to a Tan 2007 Toyota Camry out of 35A Manetta Place in Lakewood. That address was checked with negative results for the vehicle.

V1 and V2 crashed in the intersection of Broadway Avenue and Vine Avenue. Prior to the crash V1 was facing east on Broadway Avenue at the intersection with Vine Avenue, which is controlled by a stop sign; traffic on Vine Avenue has the right of way. V2 was being driven north on Vine Avenue.

Driver 1 stated she was attempting to turn left from Broadway Avenue onto Vine Avenue when she struck V2.

Driver 2 stated she was going straight on Vine Avenue northbound when V2 turned into her.

I find Driver 1 at fault for not yielding to V2. No injuries were reported.

Driver of vehicle 2 stated he was Northbound on Massachusetts Ave and was stopped at the stop sign located at the intersection of Prospect St. He stated once it was clear he went forward but vehicle 1 crashed into the side of his vehicle. He stated when he was about to go forward from the stop, there were no cars coming.

In my investigation I find vehicle 2 at fault for driver inattention and failure to yield to vehicle as vehicle 2 needs to make sure it is completely safe before going forward.

145 Crash Description/Narrative

Driver of V1 stated he was reversing out of 953 E County Line Rd. D1 stated he reversed into the roadway then pulled forward to park on the opposite side of the road in the shoulder. D1 stated as he proceeded forward (Eastbound) V2 collided with his vehicle.

Driver of V2 stated she was traveling East on E County Line Rd. D2 stated V2 did a circle in the roadway after reversing out and pulled in front of her vehicle.

I determined V1 was at fault for the crash. D1 reversed out of 953 E County Line Rd and did not yield to oncoming traffic (V2). V2 had the right of way and V1 pulled in front of her vehicle, causing the crash. The location of debris in the roadway was in the Eastbound lane that V2 was traveling in. I made this determination based on statements from both drivers, the location of damage to both vehicles and my observations of the crash scene.

Both vehicles were disabled from the crash and towed to Heshys (private tow).

145 Crash Description/Narrative

***Box #25: Vehicle #1 is insured out of state by:**
Great Northern Insurance Company
1600 63rd Street
Brooklyn, NY 11204

Driver #1 stated she was stopped in traffic facing South on River Avenue (Route 9) when Vehicle #2 rear-ended her. Vehicle #1 sustained moderate damage but was able to be driven from the scene.

Driver #2 stated he was traveling South on River Avenue (Route 9) and did not stop in time and the center front of Vehicle #2 collided with the center rear of Vehicle #1, which was stopped in traffic.

Based on statements from the involved parties and my observations at the scene and damage to the vehicles, I determined that Vehicle #2 is at fault due to driver inattention for not stopping in time to avoid the collision.

No injuries reported on the scene and no summonses issued.

145 Crash Description/Narrative

The driver of vehicle #1 stated he was attempting to leave the parking lot of 1200 River Ave. by making a left turn onto River Ave. northbound. A separate vehicle stopped to allow vehicle #1 proceed with his left turn. As vehicle #1 was making the left turn, his vehicle was struck by vehicle #2. The driver of vehicle #2 stated he was traveling southbound on River Ave., and collided with vehicle #1 that he believed was making a right turn onto River Ave. southbound. Driver #1 stated vehicle #2 passed the stopped vehicles on River Ave. southbound in the center painted median. No injuries were reported while on scene.

Based on the conflicting driver statements, I attempted to locate nearby video surveillance that may have captured the crash. I did locate and review the surveillance video footage from the front (Northwest) side of 1201 River Ave. (Friendly Check Cashing). The video footage shows vehicle #1 stopped in the entrance/exit of 1200 River Ave. A motorist traveling southbound on River Ave. stops prior to the entrance/exit to allow vehicle #1 proceed with a left turn. Vehicle #1 attempts to make a left turn, but is struck by vehicle #2 that is passing the stopped vehicles in the center painted median which caused the crash. Driver #2 is at fault for the collision for improper passing. -end-

145 Crash Description/Narrative

V1 and V2 crashed in the intersection of New Central Avenue and Miller Road. Prior to the crash V1 was being driven south on Miller Road, approaching the intersection while V2 was being driven west on New Central Avenue, also approaching the intersection. This intersection is a four-way stop, with stop signs and a blinking red signal for all directions. Upon arrival I observed V1 pulled to the side on Miller Road, south of the intersection with moderate front end damage. V2 was pulled to the side on Miller Road, north of the intersection, with heavy passenger side damage.

Driver 1 stated she was driving south on Miller Road and came to a complete stop at the stop sign, waited her turn while two other vehicles proceeded through the intersection, then attempted to go straight through the intersection when V2 drove in front of her which resulted in a crash. Driver 2 stated that he was driving west on New Central Avenue and came to a complete stop at the stop sign. He said that he attempted to drive straight across once he had the right of way, when V1 crashed into his passenger side.

No witnesses were identified. However, a nearby residence (1790 New Central Avenue), captured the crash on its security camera system. A resident allowed me to review the video and a recording of same has attached to this report. The following can be observed: prior to the crash V1 is southbound on Miller Road, second in line at the stop sign. A westbound vehicle travels through the intersection and V2 approaches the intersection and comes to a complete stop; the vehicle in front of V1 then crosses the intersection. A northbound vehicle on Miller Road then passes through the intersection, then V2 enters the intersection and attempts to go straight across simultaneous to an eastbound vehicle doing likewise. As V2 is about to cross V1's path, V1 accelerates and crashes into the passenger side of V2.

I find Driver 1 responsible, due to the following circumstances: based on rules for a four-way stop, V2 was supposed to proceed before V1 because at the time he came to a stop he was first in line for westbound traffic, while V1 was second in line for southbound traffic. V2 entered the intersection prior to V1, and had already crossed more than half way across when V1 accelerated and crashed into V2.
