145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 2 was stopped in traffic on Olden Street in the area of Route 88 and vehicle 1 was directly behind vehicle 2. Vehicle 1 started in traffic and struck the rear of vehicle 2 with the front of the vehicle.

I spoke to Driver 1 and she stated the following: Driver 1's glasses fell off of her face, and she believed she saw the vehicles near her start to travel forward. Driver 1 took her foot off of the brake and stepped on the gas. The front of her vehicle struck vehicle 2.

Driver 2 stated the following: Driver 2 was stopped in traffic and the rear of her vehicle was suddenly struck by vehicle 1. The collision caused her to hurt her neck, from jolting forward.
