135 Crash Description

Investigation at the scene indicated the following: Vehicle 2 was stopped in traffic in the left lane while on Route 70 west in the area of Olden Street and vehicle 1 traveled directly behind vehicle 2. The traffic signal changed green, and vehicle 1 struck the rear of vehicle 2 with the front of the vehicle while vehicle 2 was still stopped in traffic.

I spoke to driver 1 on scene and she stated the following: Driver 1 was stopped in the left lane on Route 70 west directly behind vehicle 2. As the light changed to green, driver 1 looked out of her driver side window and took her foot off the brake. The front of her vehicle bumped into the rear of vehicle 2.

I spoke to driver 2 on scene and she stated the following: Driver 2 was stopped in traffic in the left lane while on Route 70 west in the area of Olden Street. Driver 2 saw vehicle 1 travel towards the rear of her vehicle through her rear view mirror and driver 1 did not attempt to stop prior to the accident. The light was green when the rear of her vehicle was struck, but driver 1's vehicle was still stopped because of traffic.

Driver 1 was at fault for the accident and I issued her a summons for Careless Driving (E17001386).
