145. Crash Description/Narrative

Vehicle #2, a marked Police vehicle, was parked in the travel lane located on the ground floor of the parking garage. Sp. Stephenson #S115 advised that he was checking a parking complaint when he observed Driver #1 return to the parking garage. According to Driver #2 Driver #1 looked directly at his stopped vehicle. Driver #1 then entered his vehicle and proceeded to back up colliding with Vehicle #2.

Driver #1 stated that he did not see vehicle #2 while he was backing out of his parking spot and did not realize that he had struck the vehicle until Vehicle #2 sounded its horn and activated its overhead lights.

My investigation concluded that vehicle #1 backed up striking vehicle #2 in the right front with the left rear of vehicle #1. Both vehicles sustained minor damage. Driver #1 is the at fault driver.
