## 135 Crash Description

Driver #1 was traveling South on Van Zile Rd. and went through the intersection while the traffic signal was red. Driver #2 was traveling East on Rt 70 and was struck by Vehicle #1.

Driver #1 advised she tried to stop at the red traffic signal while traveling on Van Zile Road and hit the vehicle gas pedal instead of the brake pedal. She further advised her vehicle traveled through the intersection and struck the driver side rear door of Vehicle #2. Driver #2 advised he was traveling East on Rt. 70 and had a green traffic signal. Driver #2 further advised his vehicle was struck by Vehicle #1 while he went through the intersection.

Based upon my observations and statements made by both drivers, I find Driver #1 at fault for failure to observe the traffic control device. Driver #1 was issued traffic summons E17 000602 for 39:4-81 (Disregard traffic control device) and traffic summons E17 000601 for 39:3-4 (Unregistered vehicle).

## Additional Information.

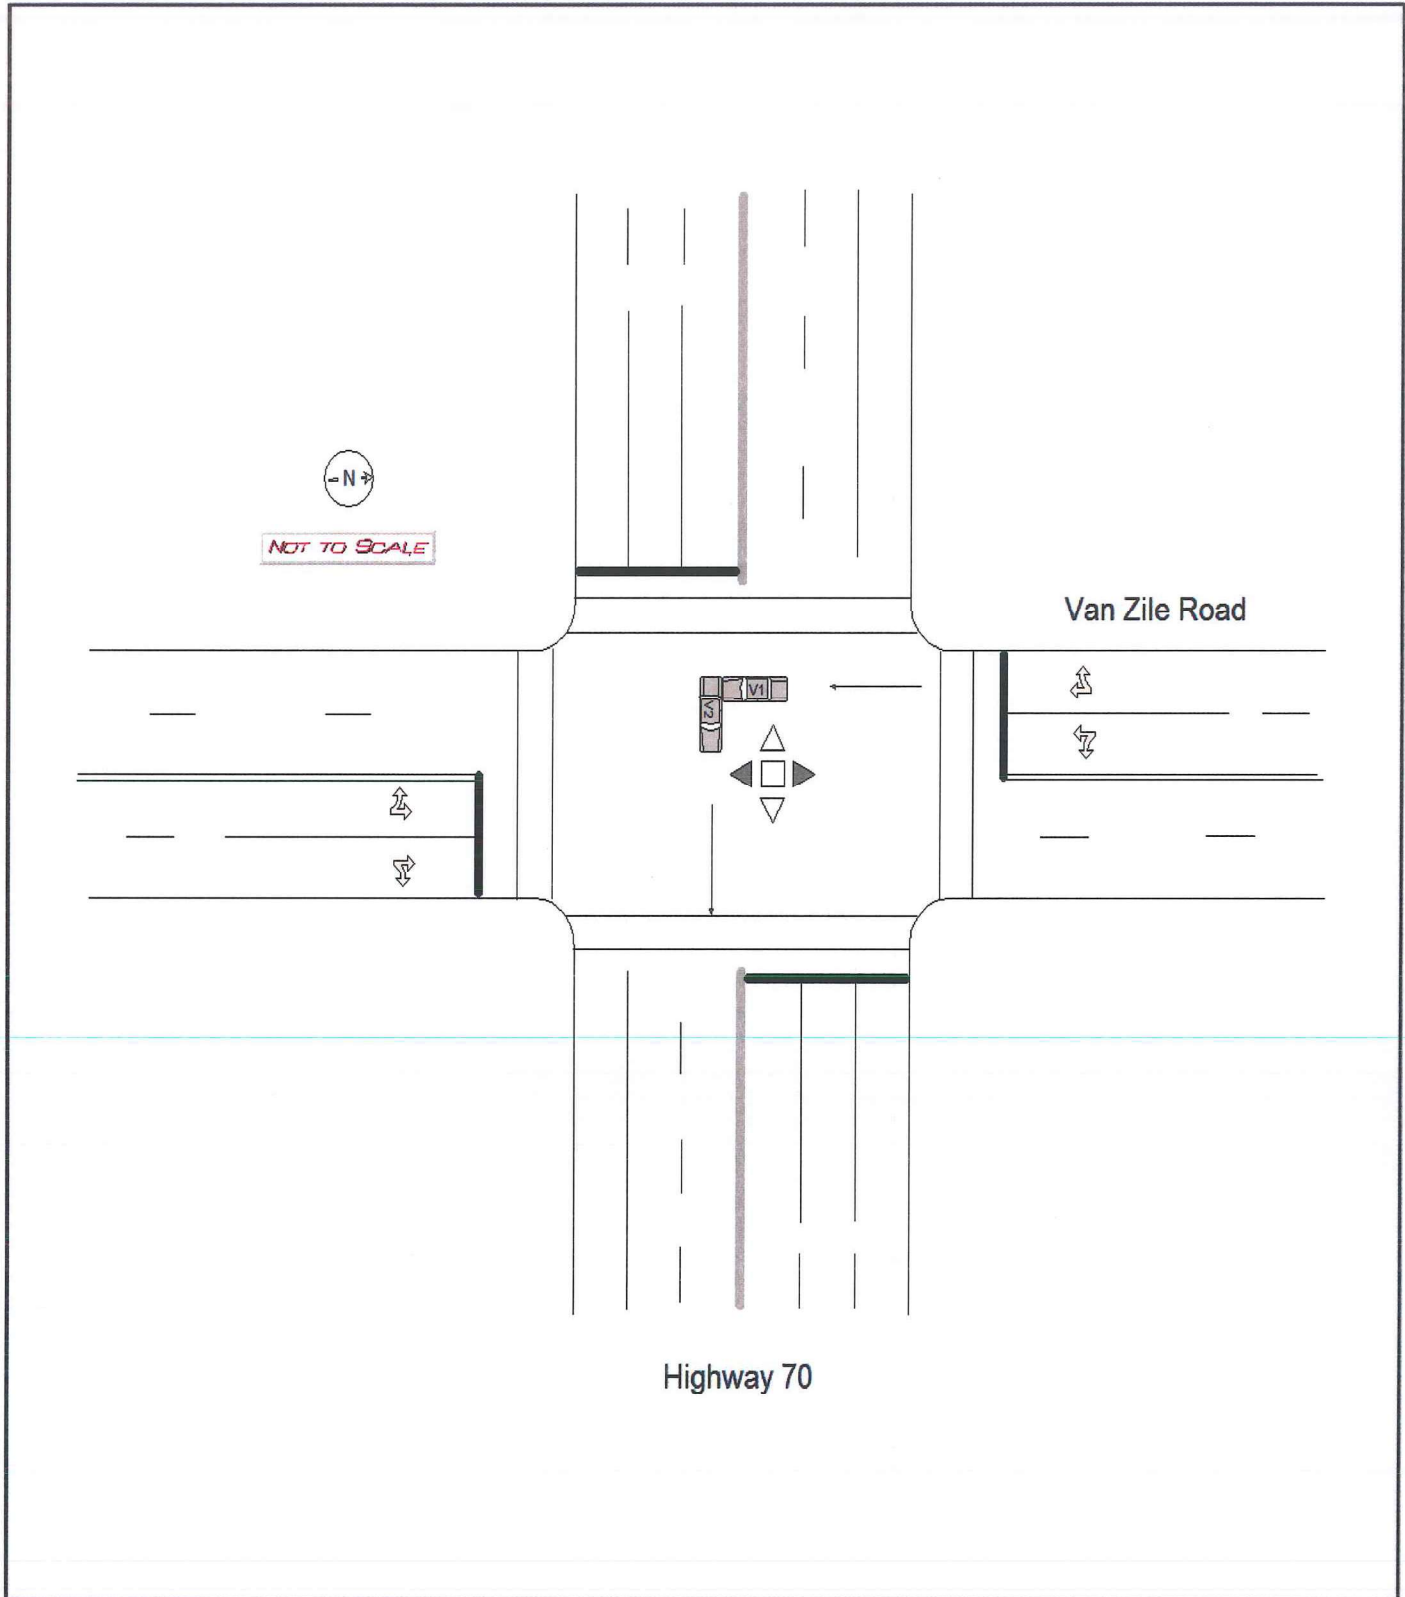

Witness on scene stated Vehicle #1 ran the red light and struck Vehicle #2.
