145. Crash Description/Narrative

Vehicle #1 collided with Vehicle #2 while attempting to park in the parking lot of 457 Jack Martin Boulevard.

Vehicle #1 fled the scene. Vehicle #2 was parked and unoccupied.

The owner of Vehicle #2 was on scene and advised she parked her vehicle in its current spot at approximately 0915 hours. She advised as she returned to her vehicle she observed damage along the passengers side wheel well. She stated that damage was not there previously. I observed the vehicle parked next to her passengers side (Gold Lincoln) but the vehicle had no damage indicating it collided with Vehicle #2. The Owner of Vehicle #2 stated when she parked her vehicle there was a blue vehicle parked on her passengers side. The damage on Vehicle #2 had some paint transfer which appeared to be white in color.

Based on the statements made by the owner of Vehicle #2 and the damage I observed it appears Vehicle #1 attempted to park next to Vehicle #2 and struck it along the passengers side. Vehicle #1 then fled the scene of the crash.

I checked the area for any white vehicle with damage along the driver side but had negative results. I also checked the area for video surveillance but had negative results.
