145 Crash Description/Narrative

Driver of vehicle 1 was facing eastbound on Ridgeway Ave stopped directly behind V2 at the stop sign that intersects with James St. He reported that he thought V2 was going to make a right hand turn so he attempted to go around V2, but the driver of vehicle 2 was continuing onward onto James St once traffic cleared up.

Driver of vehicle 2 was stopped facing eastbound at the stop sign on Ridgeway Ave and James St. He reported that when the road was clear to travel onto James St, the vehicle behind him (V1) turned into him causing the accident.

After my investigation, I determined that driver of vehicle 1 is at fault for improper passing,. Vehicle 1 sustained minor damage to the front passenger side of the bumper. Vehicle 2 sustained minor damage to the rear driver side bumper. Both vehicle 1 and vehicle 2 were able to drive from the scene. No injuries are reported at this time.

Driver 1 stated he parked in the back lot where all the employees park and thinks he might have hit V2 which was parked next to him. Driver 1 stated he saw a dent near the back of his van and a dent on V2 and this made him think he might have hit this parked vehicle. Driver 1 works with the owner who drives V2 and contacted him stating he might have hit his vehicle but is not completely sure.

Upon my arrival, I spoke with the owner of V2 in person and Driver 1 on the phone since he was no longer on scene. Driver 1 is at fault for improper parking. There was fresh damage on V1 on the back right passenger side that matched up with the damage on V2. V1 was parked and no occupants were in this vehicle at the time of the accident. No injuries reported at this time. Cameras in this area were unable to be viewed due to the store being closed.

Vehicle #1 was stopped in traffic facing West on Ocean Avenue. Vehicle #2(Tow truck) was behind Vehicle #1 and crashed into the rear of Vehicle #1. Vehicle #1 sustained dents and scratches to the rear of the vehicle. Vehicle #2 sustained cracks to the front fender. The vehicle being towed by Vehicle #2 was not struck nor damaged. The passenger of Vehicle #1 had a complaint of pain to her neck and was checked out by first aid. Passenger declined to go to the hospital at this time.

Driver 1 stated he was stopped in traffic on Ocean Avenue when Vehicle #2 crashed into the rear of his vehicle.

Driver 2 stated he was stopped in traffic behind Vehicle #1. His foot accidentally slipped off the brake and hit the gas pedal which caused him to go forward and crash into Vehicle #1. Driver 2 was issued a summons for careless driving.

My investigation finds Vehicle #2 to be at fault.

The owner of Veh #1 stated he opened up his car door after parking and it was struck by Veh #2. Driver #2 stated she was pulling into the parking spot next to Veh #1 and its car door swung open causing her to strike it. Driver of V1 stated he was traveling West on E Kennedy Blvd. D1 stated he attempted to turn around to go East on E Kennedy Blvd. D1 stated V2 collided with his vehicle.

Driver of V2 stated she was traveling West on E Kennedy Blvd. D2 stated V1 appeared to be turning onto Astor Dr. D2 stated as she proceeded V1 turned in front of her and they collided.

D1 had a minor contusion/abrasion to his forehead. D1 refused medical treatment.

I determined V1 was at fault for the crash. D1 used the large shoulder area to make a U-turn and did not yield to oncoming traffic. I made this determination based on statements from both drivers, the location of damage to both vehicles and my observations of the crash scene.

Driver of vehicle one stated she was traveling North on Clifton Ave behind vehicle two. While stopped, she lifted her foot off the brake pedal in anticipation of the light turning green. As her vehicle rolled forward, she struck vehicle two.

Driver of vehicle two stated he was stopped at the traffic light at Clifton Ave and Main St. While stopped, he was struck by vehicle one.

As a result of my investigation, I determined driver of vehicle one to be at fault due to following too closely to vehicle two.

Vehicle two insurance information:

145 Crash Description/Narrative

Driver 1 stated she was traveling north on Madison Avenue prior to the crash. She explained that as she approached the intersection with 3rd Street, she was in the right lane and observed vehicle 2 suddenly make a left turn in front of her on to 3rd Street from Madison Ave. She added that she was unable to stop in time and ultimately struck the passenger side of vehicle 2 in the intersection. Driver 1 complained of pain to her chest from the airbag. Damage to vehicle 1 was disabling.

Driver 2 stated he was traveling south on Madison Ave prior to the crash. He explained that he began slowing down and came to a stop at the intersection of 3rd St and was waiting for traffic to clear to make a left turn. He added that a vehicle that was in the left lane on northbound traffic on Madison Ave stopped and waved for him to turn. Driver 1 stated that he could not see if traffic in the right lane on the northbound side was clear but decided to make the left turn anyway and was ultimately struck by vehicle 1, which was in that right lane traveling north. Driver 2 complained of pain to his chest. Damage to vehicle 2 was disabling.

As a result of my investigation, driver 2 was found at fault for failing to yield to a vehicle. End.

145 Crash Description/Narrative

Vehicle 1 was traveling south bound on Holly Street. Vehicle 2 was traveling east bound on Ocean Avenue. Vehicle 1 then entered the intersection of Ocean Avenue and Holly Street to continue to travel south bound on Holly Street. Vehicle 1 and vehicle 2 then collided in the intersection.

Driver 1 stated he was traveling south bound on Holly Street following a coworker. He believed the intersection was a four way stop. He continued into the intersection and that is when he heard the horn of vehicle 2. He continued to state he did not have enough time to react before vehicle 2 crashed into his vehicle.

Driver 2 stated she was traveling east bound on Ocean avenue when vehicle 1 pulled out in front of her. She then showed me the dash cam footage from her vehicle. I observed vehicle 1 not make a complete stop and continue south bound on Holly Street before vehicle 2 crashed into it.

My investigation determined that driver 1 is at fault due to being inattentive and for not obeying the stop sign.

Vehicle 2's insurance code: 23787

145 Crash Description/Narrative

Vehicle 2 was legally parked on the south side of Laurel Avenue facing east with an occupant in the driver's seat when it was struck by Vehicle 1.

Vehicle 1's driver stated that he was driving a school bus travelling east on Laurel Avenue when he was forced to stop to due to a bottleneck in traffic caused by a dumpster placed in the roadway. Vehicle 1 pulled alongside and as close to Vehicle 2 as possible in order to let another school bus pass by travelling west. Once the other school bus passed by, Vehicle 1 started from a stop and turned slightly left in order to pass the dumpster when its passenger side rear struck the driver's side front of Vehicle 2.

Vehicle 1 suffered very minor damage to the passenger side rear bumper area in the form of a dent, scratches and ripped weather stripping. Vehicle 1 driver had no injuries or complaint of pain.

Vehicle 2 was parked but occupied by one person. Vehicle 2's occupant stated he was sitting in the vehicle when Vehicle 2 pulled alongside him, very close, and stopped. When Vehicle 1 drove forward and turned slightly left, the rear of the vehicle struck the front of Vehicle 2. Vehicle 2 suffered a large dent and scratches the entire length of the driver's side front quarter panel/ wheel well area. The occupant of Vehicle 2 had no injuries or complaint of pain.

Vehicle 1 driver at fault for driver inattention, specifically, not leaving adequate space between his vehicle and the parked vehicle while negotiating traffic.

Vehicle 2 is self-insured through Enterprise Rent-a Car Company, Enterprise Leasing Company of Philadelphia and EAN Holdings, LLC, Certificate # 79.

Driver 1 stated he was on Princeton Avenue when his traffic light turned green. The vehicle in front of him turned left onto E Kennedy Blvd, he waited for a vehicle going south to pass and then he began to turn left. As he began his turn, vehicle 2 drove through the red light on E Kennedy Blvd eastbound and vehicle 1 crashed into vehicle 2. Vehicle 1 sustained disabling damage to the front end.

Driver 2 stated she was driving east on E Kennedy Blvd when she didn't realize her light was red until too late. She couldn't stop in time causing vehicle 1 to crash into her. Vehicle 2 sustained damage to the passenger side front fender and bumper area.

Based on my investigation, vehicle 2 is at fault for running the red light.

145 Crash Description/Narrative

Driver 01 stated that as he was trying to make a left turn from 300 Hurley Ave onto Hurley, Vehicle 02 drove around the vehicle who was letting him pull out and then Driver 01 struck the side of Vehicle 02. Driver 01 stated that Vehicle 02 illegally passed the other vehicle that was letting him pull out. Driver 01 did not have any injuries or complaint of pain.

Driver 02 stated that he was traveling North on Hurley Ave and when he entered the left turn lane Vehicle 01 struck the side of his vehicle. Driver 02 did state there was another vehicle but he was far enough to enter the turn lane legally when he was struck by Vehicle 01. Driver 02 did not have any injuries or complaint of pain.

After my investigation, I concluded that Driver 01 was at fault for this crash due to him not yielding the right of way to Vehicle 02 as he exited the parking lot.

***Driver 01 had an international driver license from Honduras and Honduras Passport.

145 Crash Description/Narrative

Driver of vehicle 1 stated she was Southbound on River Ave. She stated as she was going forward, vehicle 2 turned left in front of her and crashed into her vehicle. *It should be noted driver 1 refused medical attention on scene but stated she will take herself to a hospital on her own for complaint of pain to her face.

Driver of vehicle 2 stated she was facing Westbound on Sherwood DR and was stopped at the stop sign located at the intersection of River Ave. She stated when it was clear to turn she attempted to turn left onto River Ave to go Southbound on River Ave. She stated as she turned vehicle 1 crashed into her vehicle which then pushed her into vehicle 3 who was stopped facing Northbound on River Ave. She stated she waited until the light at Prospect ST was red before turning.

*Vehicle 2 insurance information: Company Economical Mutual Insurance Company, Policy# 20365458, Address 111 Westmount Road, Waterloo, Ontario, N2J454, Broker/Courtier Shepherd General Insurance INC O/A the Shepherd Group.

Driver of vehicle 3 stated she was Northbound on River Ave and was stopped before the intersection of Sherwood DR in the left turn only lane. She stated while she was stopped vehicle 2 crashed into her vehicle. *It should be noted driver 3 refused medical attention on scene but stated she will take herself to a hospital on her own for complaint of pain to her shoulder and dizziness.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and failure to yield to vehicle as vehicle 2 needs to make sure it safe before turning.

145 Crash Description/Narrative

Vehicle 1 was traveling Eastbound on 6th Street. Driver 1 explained that she had stopped at the stop sign. Driver 1 said that Lexington Avenue was clear both ways (North and South). As she crossed over, she felt a hard impact from the rear of her vehicle. Driver 1 noticed that V2 had collided with her car. The crash's impact caused her vehicle to shift and hit with V3.

Vehicle 2 was traveling Northbound on Lexington Avenue. Driver 2 said he was approaching the intersection of Lexington Ave. and 6th Street when he had to slam on his brakes because V1 started to cross over, and he could not stop in time, colliding with V1.

Vehicle 3 was traveling Westbound on 6th Street. Driver 3 mentioned that he was stopped at the stop sign when V1 collided with his car.

Investigation revealed that Vehicle 1 was traveling Eastbound on 6th Street, Vehicle 2 traveled Northbound on Lexington Avenue, and Vehicle 3 traveled Westbound on 6th Street. Based on my observations, V1's body was halfway in 6th Street as V1 crossed over the intersection when V2 collided with V1. The crash's impact between V1 and V2 caused V1 to shift and hit V3. Driver 1 complaint of pain in the back and left leg and possibly pregnant refused medical treatment, but she will follow up with her doctor.

145 Crash Description/Narrative

Driver 1 stated she was parked in the parking lot of 1700 Madison Ave facing north prior to the crash. She explained that she began backing south in an attempt to leave the parking lot and did not see that vehicle 2 was stopped in the lot to the direct south east of her vehicle and ultimately struck the front left area of vehicle 2 with the passenger side of her vehicle's rear bumper. Driver 1 was not injured. Damage to vehicle 1 was minor.

Driver 2 stated she was stopped in traffic facing west in the parking lot of 1700 Madison Avenue prior to the crash. She stated that she observed that vehicle 1 was attempting to reverse from a parking spot so she stopped to allow her to back out. Driver 2 explained that vehicle 1 must not have seen her vehicle and ultimately reversed into the front left of her vehicle causing damage. Driver 2 was not injured. Damage to vehicle 2 was minor.

As a result of my investigation, driver 1 was found at fault for backing unsafely. End.

145 Crash Description/Narrative

Driver of V2 stated she had the green arrow to make a left turn onto New Hampshire Ave from Ocean Ave when she was then struck by V1 at the 1 o'clock.

Driver of V1 stated he believed he had the green light when he went to travel east through the intersection of Ocean Ave and New Hampshire Ave when he then struck V2.

A witness who was on scene stated V2 had the right of way due to having the green arrow pointing left which would mean V1 would have a red light.

The result of the investigation revealed that the Driver of V1 was at fault due to V2 having the right of way. The Driver of V2 stated she had neck and leg pain. The front seat passenger stated she believes she has a possible broken wrist. They were subsequently transported to Brick Hospital. Driver of V1 reported no injuries at this time.

Both vehicles are self insured by Ean Holdings LLC.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was Westbound on Lakewood New Egypt RD. He stated as he was approaching the intersection of Miller RD, vehicle 2 went through the stop sign and crashed into his vehicle.

Driver of vehicle 2 stated he was Southbound on Miller RD and was stopped waiting to make a left. He stated when it was clear he made the left turn but vehicle 1 crashed into his vehicle.

vehicle 2 is a rental and is self insured.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and failure to yield to vehicle as vehicle has the stop sign and needs to make sure it is safe before turning.

145 Crash Description/Narrative

Driver 1, Ava Garaventa was operating a 2020 Kia Soul, NJ Z98-MLL. Ms. Garaventa stated she was making a left turn from Lanes Mill Road onto Ocean Avenue while the traffic signal for her direction was showing a green left turn arrow. As she was turning vehicle 2 entered the intersection traveling north on Chambers Bridge Road. The front of her vehicle then struck the front of vehicle 2.

Driver 2, Kimberly Mohwinkle was operating a 2016 Nissan Rogue, NJ V30-LJD. Mrs. Mohwinkle stated she was traveling north on Chambers Bridge Road entering the intersection at Ocean Avenue in the right lane when the front of her vehicle was struck by the front of vehicle 1 which was making a left turn in front of her onto Ocean Avenue from Lanes Mill road. Mrs. Mohwinkle stated she believed she had a green traffic signal when she entered the intersection but was not one hundred percent sure.

Witness, Donna Bair stated she was in her vehicle directly behind vehicle 2 when she observed the crash take place. She was stopped at a red traffic signal behind vehicle 1 facing north on Chambers Bridge Road at Ocean Avenue. The left turn arrow changed to green while the full signal was still red when vehicle 2 entered the intersection traveling north and not making a left turn. Vehicle 1 which was presumably making a left turn with the green turn arrow from the opposite side of the intersection then collided with vehicle 2.

Driver 2 was determined to be at fault for failure to observe the traffic signal. End of report.

145 Crash Description/Narrative

Driver of vehicle 1 was traveling west on the roadway located behind the residence of 1 Ponderosa Drive. Driver 1 stated he began to inch his vehicle out and he was not sure how fast driver 2 was traveling north on Ponderosa Drive, when both vehicles collided. It should be noted that driver 1 had a stop sign as his traffic control.

Driver of vehicle 2 was traveling north on Ponderosa Drive. Driver 2 stated he was unsure if driver 1 stopped at the stop sign when both vehicles collided.

Both drivers were offered medical attention which they declined at the scene.

Vehicle 1 had damage to the left side of the fender. Vehicle 2 had damage to the right side of the fender and deployment of front and side airbags. Both vehicles were towed by Barina's Automotive Services located at 160 Ocean Avenue.

As per my observation and the information provided, driver 1 was at fault for failure to stop at the stop sign and failure to yield to the right of way of vehicle.

V2 was traveling south bound on Madison Ave in the right hand lane. V1 was traveling south bound on Madison Ave in the right hand lane directly behind V2. It was raining at the time and the roadway was very slick.

The drivers of both vehicles agreed that a vehicle in front of V2 stopped suddenly causing V2 to skid and stop short. This caused V1 to have to stop short as well. The driver of V1 attempted to stop but skidded on the wet pavement and the front bumper of V1 struck the rear bumper of V1 causing damage to both vehicles. No injuries.

145 Crash Description/Narrative

Driver of vehicle 1 stated she was traveling east on 5th St. Driver of vehicle 1 stated vehicle 2 pulled out from the side of the road, which resulted in the crash.

Driver of vehicle 2 stated she was parked facing east on 5th St. Driver of vehicle 2 stated she was starting from parked, so she turned her wheel to the left. As she turned her wheel, driver of vehicle 2 stated vehicle 1 crashed into her.

As a result of my investigation, I, Ptl. Livingston #373 determined the driver of vehicle 2 is at fault for this crash. The driver of vehicle 2 failed to yield the right of way to oncoming traffic.

Both vehicles were disabled as a result of this crash. Vehicle 1 sustained a flat tire, which was changed, and eventually was able to be driven away. Vehicle 2 is inoperable and was parked, awaiting a tow at the time of this report.

145 Crash Description/Narrative

Vehicle #1 was parked facing South in the parking lot of 1260 Ocean Avenue. **Vehicle #2** was travelling East on Ocean Avenue when it made a sharp right turn onto Denby Avenue. The turn was unable to be negotiated and **Vehicle #2** struck the curb and then the stop sign on Denby Ave. The impact caused the stop sign to be pushed into **Vehicle #1**. **Vehicle #1** sustained dents and scratches to the front passenger side quarter panel. **Vehicle #2** sustained extensive damage to the front bumper. There were no reports of injuries.

Driver 2 stated she was travelling East on Ocean Avenue going straight ahead. She was unsure where the street was that she had to turn on. She stated she was about to miss the turn when she proceeded to make a right turn onto Denby Avenue.

An employee on scene advised me he was able to pull up the video using his cell phone. I observed **Vehicle #2** travelling East on Ocean Avenue. It appeared that it was getting ready to pass Denby Avenue when it attempted to make a right turn. **Vehicle #2** hit the curb and then crashed into the stop sign.

My investigation finds **Vehicle #2** to be at fault for driver inattention.

145 Crash Description/Narrative

Vehicle #1 was travelling North on New Hampshire Avenue going straight ahead in the right lane. **Vehicle #2** was in the left lane facing North on New Hampshire Avenue and was behind **Vehicle #3** who was stopped in traffic. As **Vehicle #1** was travelling straight ahead, **Vehicle #2** attempted to change lanes and crashed into **Vehicle #1**. The impact caused **Vehicle #2** to collide with **Vehicle #3**. **Vehicle #1** sustained dents and scratches to the middle driver side of the vehicle. **Vehicle #2** sustained minor scratches to the middle passenger side and driver side of the vehicle. **Vehicle #3** sustained scratches to the rear passenger quarter panel. There were no reports of injuries.

Driver 1 stated she was travelling straight ahead in the right lane on New Hampshire Avenue. **Driver 1** advised me she believes **Vehicle #2** moved into her lane of travel and crashed into her vehicle.

Driver 2 stated she was behind **Vehicle #3** who was stopped in traffic and was going to make a left turn onto Michele Way. She attempted to go around **Vehicle #3** and crashed moving into the right lane.

Driver 3 stated he was stopped in traffic facing North on New Hampshire Avenue. He said he heard a crash and then felt impact on his car.

My investigation finds **Vehicle #2** to be at fault for unsafe lane change.

ROUTE 70 EAST

145 Crash Description/Narrative

Driver 1 stated that she was traveling East on Route 70 and that vehicle 2 stopped abruptly causing her to break and rear ended vehicle 2. Driver 2 and passenger from vehicle 2 both stated that they were stopped in traffic facing East on Route 70 approaching the intersection at Buckingham Drive when they were rear ended by vehicle 1. Due to conflict in stories, evidence of the crash indicates that vehicle 1 was following too closely and caused collision. No injuries reported.

145 Crash Description/Narrative

Driver of vehicle 1 stated she was Westbound on Powderhorn DR. She stated as she was going forward vehicle 2 crashed into the side of her vehicle.

Driver of vehicle 2 stated she was Northbound on Flintlock DR and was stopped at the stop sign at the intersection of Flintlock DR. She stated after making sure it was clear she started to inch up. She stated as she started to inch up and go forward, vehicle 1 crashed into her vehicle.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and failure to yield to vehicle as vehicle 2 has the stop sign and needs to make sure it is safe before going forward.

145 Crash Description/Narrative

Driver 01 stated he was traveling West on 4th Street when he noticed the blinking red signal at the intersection but was not sure what it meant since he is not from around here. Driver 01 stated he yielded at the blinking red light and did not stop when going through the intersection. Driver 01 stated he was struck by Vehicle 02 while going through the intersection. Driver 01 did not have any injuries or complaint of pain.

Driver 02 stated he was traveling South on Clifton Ave when Vehicle 01 was traveling West on 4th Street and Vehicle 01 did not stop at the blinking red signal when going through the intersection. Driver 02 stated he struck Vehicle 01 on the rear passenger side because he drove through the red signal without stopping. Driver 02 did not have any injuries or complaint of pain. One of the bus passengers stated he had a complaint of pain in his back but did not want any medical attention at this time.

After my investigation, I concluded Driver 01 to be at fault for the crash due to the statements given by each driver and that Driver 01 admitted to not stopping at the blinking red traffic signal prior to entering the intersection.

145 Crash Description/Narrative

Driver one stated he was traveling west on Twin Oaks Drive when he attempted to negotiate the bend he may have struck a curb and then hit a garbage can. Driver one informed he was not sure if he hit a curb before striking the garbage can.

Due to the damage observed on the vehicle I concluded that vehicle one struck a curb before striking the garbage can. Damage was noted on the passenger front wheel that indicates curb rash.

While at the scene of the crash I observed the garbage can struck a parked vehicle. I made contact with the owner who informed me that he does not want anything done due to the minimal damage to his vehicle.
