135 Crash Description

The driver of vehicle #2 stated he was traveling north on Rt. 88, just north of Larsen Street. He stated vehicle #1 attempted to pass another vehicle while traveling southbound on Rt. 88. Vehicle #1 entered the northbound lane in an attempt to pass another vehicle and in doing so, side swiped the rear quarter panel of vehicle #2.

The driver of vehicle #1 stated he was driving a Lakewood Township ambulance, traveling north on Rt. 88, with both the emergency lights and siren activated. He stated a garbage truck turned out from a parking lot and on to Rt. 88, directly in front of him. He stated that he had to swerve around the garbage truck in order to avoid striking it. He further stated that he swerved into the northbound lane and in doing so, struck the driver side rear quarter panel of vehicle #2.

It should be noted that the driver of vehicle #2 stated the garbage truck passed him prior to the ambulance swerving into his lane. In my opinion and based on the statements of both drivers, vehicle #1 caused the crash by carelessly attempting to pass the garbage truck.

No injuries reported. Minor damage to both vehicles.

Vehicle #1 is self insured 05-87.
