145. Crash Description/Narrative

On March 15, 2022 at approximately 0850 hours, I responded to the area of Jack Martin Blvd and Chard Place for the report of a motor vehicle crash that was called in by a nearby resident. Upon my arrival, I was unable to locate the involved vehicles. I spoke with the resident who provided pictures of the vehicles and drivers involved, along with the license plate of one of the vehicles. She stated she did not see the accident happen but stated Vehicle #1 backed into Vehicle #2 after the sign was already struck.

The stop sign located on the corner of Chard Place and Jack Martin Blvd was knocked down with a tire track leading up to it in the dirt. I was able to locate Vehicle #1 in the parking lot of Ocean Medical Center and began speaking with driver #1, who was sitting in the drivers seat. Driver #1 stated he was traveling south on Jack Martin Blvd, approaching the intersection of Chard Place when he went to make a right hand turn onto Chard when Vehicle #2 was directly to his right. The two vehicles made contact and he was unsure how the damage to the rear bumper happened or how the sign was knocked down. Driver #1 stated he was at fault for the crash and provided a name and phone number for Vehicle #2. A check of Vehicle #1 showed fresh scratches and dark blue paint transfer on the back bumper and passenger side front fender. The two front tires were pointing in different directions and there was damage to the grille and lower front bumper, consistent with damage from striking the stop sign pole.

145 Crash Description

I left a voicemail for Driver #2 and was eventually able to speak with her via telephone. Driver #2 stated she was driving behind Vehicle #1 when he began to back up in the road as if he was attempting to do a K-Turn in the road. She began to swerve to the right to go around Vehicle #1 and avoid a crash when the rear bumper of Vehicle #1 struck the driver's side front fender of Vehicle #2. Driver #2 was unsure as to the series of events but knows she was struck twice by Vehicle #1. She also did not know how the stop sign was struck. Driver #1 stated her vehicle only has damage to the drivers side front fender.

Based on my observations, statements by both drivers, and statements from the area resident, I determined Vehicle #1 to be at fault for the crash and he was mailed his summons.
