145. Crash Description/Narrative

A motor vehicle crash happened in the parking lot of the Brick Hospital (425 Jack Martin Blvd)outside of the
Emergency Room entrance.

My investigation revealed that vehicle 2 was parked and unoccupied in the parking zone when vehicle 1 backed into
it impacting the front bumper of vehicle 2. Driver 1 caused the crash due to unsafe backing and driver
inattention.

Driver 1 stated that they were backing out of the parking area when they struck vehicle 2.

Vehicle 1 had minor damage to the rear bumper. Vehicle 2 had minor damage to the front bumper

It should be noted that a valet driver from Brick Hospital parked vehicle 2 in the parking zone outside of the
hospital. Hospital security staff was given a Brick Police Crash Card to provide to the owner of vehicle 2 due
to the fact that he was currently being treated for a medical condition and I was unable to talk to him at the
time of this incident.
