135 Crash Description

On 10/18/16 at 1345 hours, I was dispatched to 1672 Rt 88, Speedway Gas Station, in reference to a two car motor vehicle accident. Dispatch advised there was a minor motor vehicle accident in the parking lot.

Driver 1 advised she was stopped behind a delivery truck in the parking lot. She decided to drive around the truck and proceeded around the front part of the parking lot located closest to Rt 88. She continued around all of the service bays and then attempted to back into one so she could fuel up. As she was backing, she advised vehicle 2 backed up into her vehicle.

Driver 2 advised she was stopped waiting for her service bay to open. She was facing westbound in the parking lot closest to the store front waiting to turn left. While waiting vehicle 1 backed into her to vehicle.

Investigation at the scene revealed vehicle 1 was positioning her vehicle to back into a service bay. She did not observe vehicle 2 stopped waiting to pull into the service bay next to hers. She continued to back and bumped into vehicle 2. There was no visible damage to vehicle 1 and there was minor damage to vehicle 2 on the rear bumper. No injuries were reported at this time and both vehicles were moved prior to my arrival.
