135 Crash Description

The driver of vehicle 1 left the scene prior to my arrival.

The driver of vehicle 2 advised she was stopped in traffic on Route 70 in the area of the Interchange when the driver of vehicle 1 collided with the rear of her vehicle.

Vehicle 2 had light scratches on the rear bumper. The driver of vehicle 2 had a complaint of pain however refused any medical attention at this time.

Dispatch provided the registration number for the suspect vehicle and when I responded to the address of the registered owner the homeowner provided me a phone number for the operator of the vehicle. I spoke with the driver of vehicle 1 via telephone (609-240-7799) who advised while traveling west bound on Route 70 a woman flagged him down and said you hit my car. He did not believe he was in an accident so he continued driving. The driver checked his vehicle when he was home and did not observe any damage. The driver of vehicle 1 advised he will be out of town for work however will contact the police department when he returns home next week to show he was not in an accident.
