135 Crash Description

Vehicle #1 was traveling northbound on Midstreams Rd. prior to Rt. 88. Vehicle #2 was traveling westbound on Rt. 88 prior to Midstreams Rd.

Driver #1 stated he attempted to turn right onto Rt. 88, not realizing the traffic signal was red. He then stated he was too far into the intersection and had decided to travel straight across instead.

Driver #2 stated he was traveling straight ahead on Rt. 88, approaching the green traffic signal at the intersection of Midstreams Rd. when Vehicle #1 ran the red light and traveled directly in front of his vehicle. Vehicle #2 was unable to bring his vehicle to a stop before striking Vehicle #1.

Vehicle #1 failed to observe the red traffic signal and traveled through the intersection causing Vehicle #2 to strike Vehicle #1.

Both vehicles were removed from the roadway prior to my arrival.

Vehicle #1 remained on location awaiting AAA Towing. Driver #1 was issued E16-006197 for Failure to observe traffic control device 39:4-81.
