145. Crash Description/Narrative

On 4/20/2022 at 1845 hours, I responded to 2085 route 88 for a report of a 2 vehicle crash in the parking lot no injuries.

The driver of vehicle 1 advised he parked in a parking spot in front of wine world. The driver of vehicle 1 continued and advised while getting out he noticed he was not in the parking spot and went to back up quickly and did not notice vehicle 2 behind him, prior to striking his vehicle.

The driver of vehicle 2 stated he was heading east in the parking lot when vehicle 1 backed out of his spot and stuck the passenger side of his vehicle.

Vehicle 1 had no damage.

Vehicle 2 had damage to the rear passenger side door.

Due to my investigation, I determined the driver of vehicle 1 to be at fault for the crash. My department issued body worn camera was activated during this incident.
