145. Crash Description/Narrative

On 4/22/22 at 1251 hours, I responded to the At Home, 1930 Route 88, for a report of a 2 vehicle crash in the parking lot with no injuries.

The driver of vehicle 1 advised she was backing out of her parking spot when vehicle 2 was also backing out of her parking spot. The driver of vehicle 1 continued by stating she did not see vehicle 2 backing up and both vehicles collided in the middle of the lane.

The driver of vehicle 2 advised she started backing out of her spot, when she noticed vehicle 2 also began to back out of her spot. The driver of vehicle 2 then advised she stopped her vehicle, and started honking in attempts to get vehicle 1 to stop, prior to vehicle 1 striking her vehicle.

Both vehicles had damage to the passenger side rear bumper.

I then went inside the at home store and checked the video footage. Upon reviewing the footage, I observed, vehicle 2 start backing out of her spot along with vehicle 1 backing out of hers. I then observed vehicle 2 stop

145 Crash Description

in the lane due to vehicle 1 backing up. Vehicle 1 continued to back up and struck vehicle 2.

Due to the statements made by both drivers along with the video footage, I determined that the driver of vehicle 1
to be at fault for the crash. My department issued body worn camera was activated during this incident.
