135 Crash Description

Investigation at the scene revealed: Vehicle 2 was traveling in the right lane West on Route 88 approximately 50 feet East of the intersection of Route 88 / Post Rd. Vehicle 1 was traveling directly behind vehicle 2. The collision occurred when the driver of vehicle 1 attempted to pass vehicle 2 on the right. This caused the left side of vehicle 1 to side swipe the front right end of Vehicle 2. On scene I observed damage to the left middle of vehicle 1 and front right end to vehicle 2.

The driver of vehicle 1 stated she thought the driver of vehicle 2 was going to merge into the left lane. She stated she attempted to pass her on the right side, which caused her to side swipe vehicle 2. The driver of vehicle 2 stated she was traveling in the right lane and was side swiped by vehicle 1.

The driver of vehicle 2 complained of left hand pain. The passenger of Vehicle 1 complained of lower back pain. Brick EMS unit #M533 arrived on location and administered first aid. The passenger of vehicle 1 was transported to Ocean medical Center for further medical attention. The driver of vehicle 2 refused further medical attention and left at the scene. All other individuals involved declined first aid.

The vehicles were removed from the roadway prior to my arrival.
