135 Crash Description

On 7/26/16 at 0803 I was dispatched to area of 425 Jack martin Blvd in reference to a two car motor vehicle accident. Dispatch advised they had moved off of the roadway.

Driver 1 advised as she was traveling westbound on Jack Martin Blvd she observed vehicle 2 with its left turn signal on waiting to pull into the parking lot of 425 Jack Martin Blvd. As she passed vehicle 2 on the right shoulder, vehicle 2 began moving again in an attempt to go to the second entrance instead. This caused vehicle 1 to drive off of the roadway, hit the curb, hit a garbage can, and then eventually crash into vehicle 2 when she was able to get back onto the road.

Driver 2 advised he was stopped in traffic facing west bound on Jack Martin Blvd waiting for the vehicle in front of him to turn left into the parking lot of 425 Jack Martin Blvd. After the unknown vehicle turned, he continued forward to go in to the second entrance of 425 Jack Martin Blvd approximately 150 feet further west. As he began driving forward he observed vehicle 1 reentering traffic from the shoulder and was struck by that vehicle.

Investigation at the scene revealed both vehicles were traveling west bound on Jack Martin Blvd. While vehicle 2 stopped for an unknown vehicle to turn left into the parking lot, vehicle 1 attempted to pass both vehicles on the right shoulder. As vehicle 1 attempted to pass, the unknown vehicle made its left turn and vehicle 2 continued moving forward. This caused vehicle 1 to drive off of the roadway to her right. Vehicle 1 then struck a curb followed by a garbage can located at 402 Jack Martin Blvd. After driver 1 regained control of vehicle 1 she attempted to reenter traffic. In doing so her lower left rear stuck the lower right front of vehicle 2 causing damage to both vehicles. No injuries were reported at this time and both vehicles were moved prior to my arrival. Driver 1 was issued a summons for 39:4-97 on E16-004690.
