135 Crash Description

Vehicle 2 was stopped at a red light traveling east on Route 70 at the intersection with Route 88. Vehicle 1 was stopped behind vehicle 2. When the light turned green vehicle 2 entered the intersection and vehicle 1 struck the rear bumper area of vehicle 2.

Driver 2 stated the following:

He was stopped at a red light at the intersection of Route 70 and Route 88 traveling east. He did not see the light turn green but heard vehicle 1 behind him honk on her horn. He then observed the light was green and began to enter the intersection slowly. Vehicle 1 then struck the rear of his vehicle. I asked driver 2 if he was on his cell phone, which he replied "No".

Driver 1 stated the following:

She was stopped behind vehicle 2 at a red light at the intersection of Route 70 and Route 88. When the light turned green vehicle 2 began driving and then slowed down in the intersection. She was unable to stop and struck the rear bumper of vehicle 2. Driver 1 advised she believes driver 2 may have been on his cell phone.
