135 Crash Description

Vehicle 1 was traveling along Route 70 westbound going straight ahead in the right lane. Traffic conditions were heavy which was normal for this time of day due to morning commuters. After Vehicle 1 passed the intersection of Forge Pond Road, another non-contact vehicle directly in front of Vehicle 1 swerved suddenly to avoid a dog which entered the roadway from the entrance/exit of Forge Pond Park. Driver 1 attempted to avoid the dog as well but was unsuccessful resulting in Vehicle 1 impacting the dog. Driver 1 immediately pulled off to the shoulder and notified police.

The dog was deceased on arrival and the owner was located and present on scene. The owner of the dog advised that she was in the park with her dogs during which time one of her dogs ran off towards Route 70 after observing a pedestrian. The dog was not leashed at that time.

No damage was observed to Vehicle 1. A-Academy Animal Control responded to the scene and assisted the owner of the dog with transport and removal at the owner's request.
