135 Crash Description

Investigation at the scene revealed: Vehicle 2 had a green signal and was traveling North at the intersection of Route 88 / Olden St. Vehicle 1 had a red signal and was in the right lane traveling West on Olden St and was making a right hand turn onto RT. 88 North. The crash occurred when the driver of Vehicle 1 entered vehicle 2's lane of travel, which caused Vehicle 2 to collide into the left middle of Vehicle 1. On scene I observed damage to front right of Vehicle 2 and left middle of Vehicle 1.

The driver of Vehicle 1 stated she did not see Vehicle 2 crossing the intersection of Route 88 / Olden St. when she made a right hand turn onto RT. 88 North. The driver of Vehicle 2 stated he was crossing the intersection and Vehicle 1 pulled out in front of him causing him to collide into her left middle. The driver of Vehicle 1 stated she had pain in her shoulder. Brick Police EMS #536 responded to the location and the driver of Vehicle 1 declined first aid.

No other injuries were reported at the scene and both vehicles were moved prior to my arrival.

The driver of vehicle 1 was issued one citation for Careless Driving (39:4-97, E16-005061).
