135 Crash Description

Investigation at the scene indicated the following: Vehicle 2 was stopped at the intersection of Jack Martin Boulevard and Route 88 and vehicle 1 was directly behind vehicle 2. Vehicle 1 rolled into the rear of vehicle 2 with the front of the vehicle.

I spoke to driver 1 on scene and he stated the following:

Driver 1 observed vehicle 2 begin to make a right turn onto Route 88. Driver 1 looked to his left to see if it was safe to make the left turn. Driver 1 began to make the right turn while continuing to look left, and the front of his vehicle struck the rear of vehicle 2.

I spoke to driver 2 on scene and he stated the following:

Driver 2 was stopped at the intersection of Jack Martin Boulevard and Route 88 because of a red traffic signal. Driver 2 moved his vehicle forward a little so he could observed the traffic. Driver 2's vehicle was suddenly struck by the front of vehicle 1.
