135 Crash Description

Crash occurred in the parking lot of Walmart, located at 1872 RT 88.

Pedestrian #1 stated he had just left Walmart and was walking to his vehicle when he was struck from behind by vehicle #1.

Driver #1 stated she had just pulled out of one aisle and was coming around to make a left down another aisle. She advised she did not see pedestrian #1 as she started her turn and subsequently struck him.

Pedestrian #1 had complaint of back pain, shoulder pain and was feeling dizzy. He was treated on scene by first aid and signed off refusing further medical attention at this time.

Driver #1 advised she was not injured.

I was able to view the surveillance camera footage of the crash. Pedestrian #1 is seen coming from the area of the store. He looked to the left, to make sure it was clear, prior crossing the roadway in the crosswalk. As he continues across the road he angles to the right, outside of the crosswalk and that is when he is struck by vehicle #1 which made the left turn too short. Copies of the surveillance footage were placed into property as evidence.

Driver #1 was issued summons #: E16004205 for Careless Driving, 39:4-97.
