135 Crash Description

Vehicle 1 traveling westbound on Route 88 just prior to intersection with Route 70. Vehicle 2 stopped at red light on Princeton Ave westbound just prior to intersection with Route 70.

Driver of Vehicle 2 stated that the light turned green for Princeton Ave and she entered the intersection with Route 70. Once in the intersection she stated that Vehicle 1 crashed into her right side causing her vehicle to change direction. Vehicle 2 then crashed into a curbed median, drove over the curbed median and continued over a second curb until crashing into a tree.

Driver of Vehicle 1 stated that she was traveling westbound on Route 88 and saw a green light for what she believed to be Route 88. She then entered into the intersection with Route 70 when she stated Vehicle 2 suddenly appeared in front of her. Vehicle 1 then crashed into Vehicle 2.

An eyewitness to the crash stated that Vehicle 2 had the right of way as the light was green for Princeton Ave westbound and not for Route 88 westbound. As Vehicle 2 continued into the intersection it was struck on the right side by Vehicle 1.

Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.
