135 Crash Description

My investigation revealed the following:

Vehicle 1 and Vehicle 2 were both east bound on Route 88. Vehicle 1 was directly behind Vehicle 2. Both vehicles were in stop and go traffic. Vehicles 1 and 2 were rolling forward in traffic when Vehicle 2 came to a stop. Driver 1 did not see Vehicle 2 stopped causing Vehicle 1 to impact the rear of Vehicle 2.

Driver 1 stated while sitting in traffic behind Vehicle 2 his wallet fell off of his lap. While rolling forward he bent over to pick up his wallet. While he was bent over looking for his wallet he impacted Vehicle 2.

Vehicle 1 sustained minor front end damage. Vehicle 2 sustained moderate rear end damage. Both vehicles were driven from the scene and it should be noted both vehicles were moved prior to police arrival.

No injuries were reported on scene.
