135 Crash Description

Vehicle 2 stopped in traffic on Route 70 eastbound just prior to intersection with Route 88. Vehicle 1 stopped directly behind Vehicle 2.

Driver of Vehicle 1 stated that they believed the green right turn signal was the regular green light for Route 70 eastbound and began to move forward. They then realized that the regular light for Route 70 eastbound was red and abruptly stopped. However prior to stopping Vehicle 1 collided into Vehicle 2 which was still stopped in front of them.

Driver of Vehicle 2 stated that they were stopped at the red light on Route 70 when Vehicle 1 collided into them from behind.

Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.
